Meet **Big Bubba!**

He's huge in size.

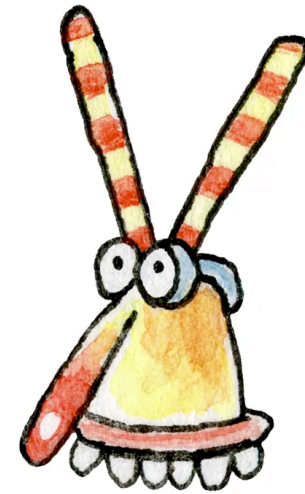

He loves to eat hearty,
especially pies!

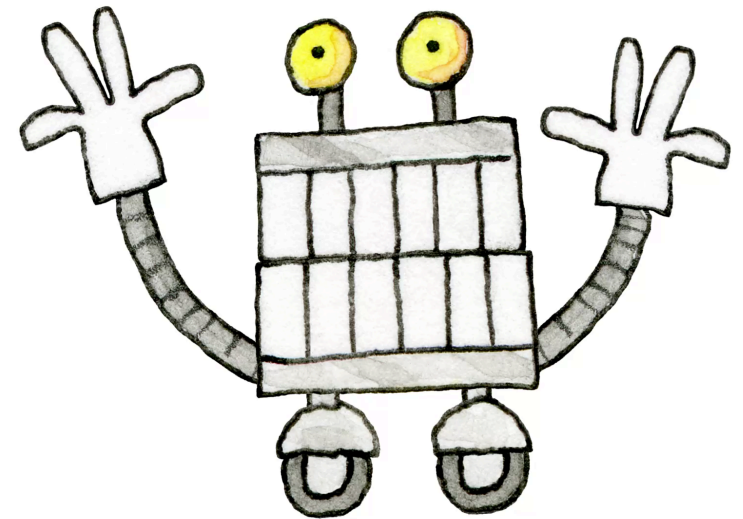

The Twins share a tail
and look quite the same.
Double and Trouble
by nature and name.

And this is **Brainy**,
with specs and all yellow.
Too clever by half,
this short little fellow.

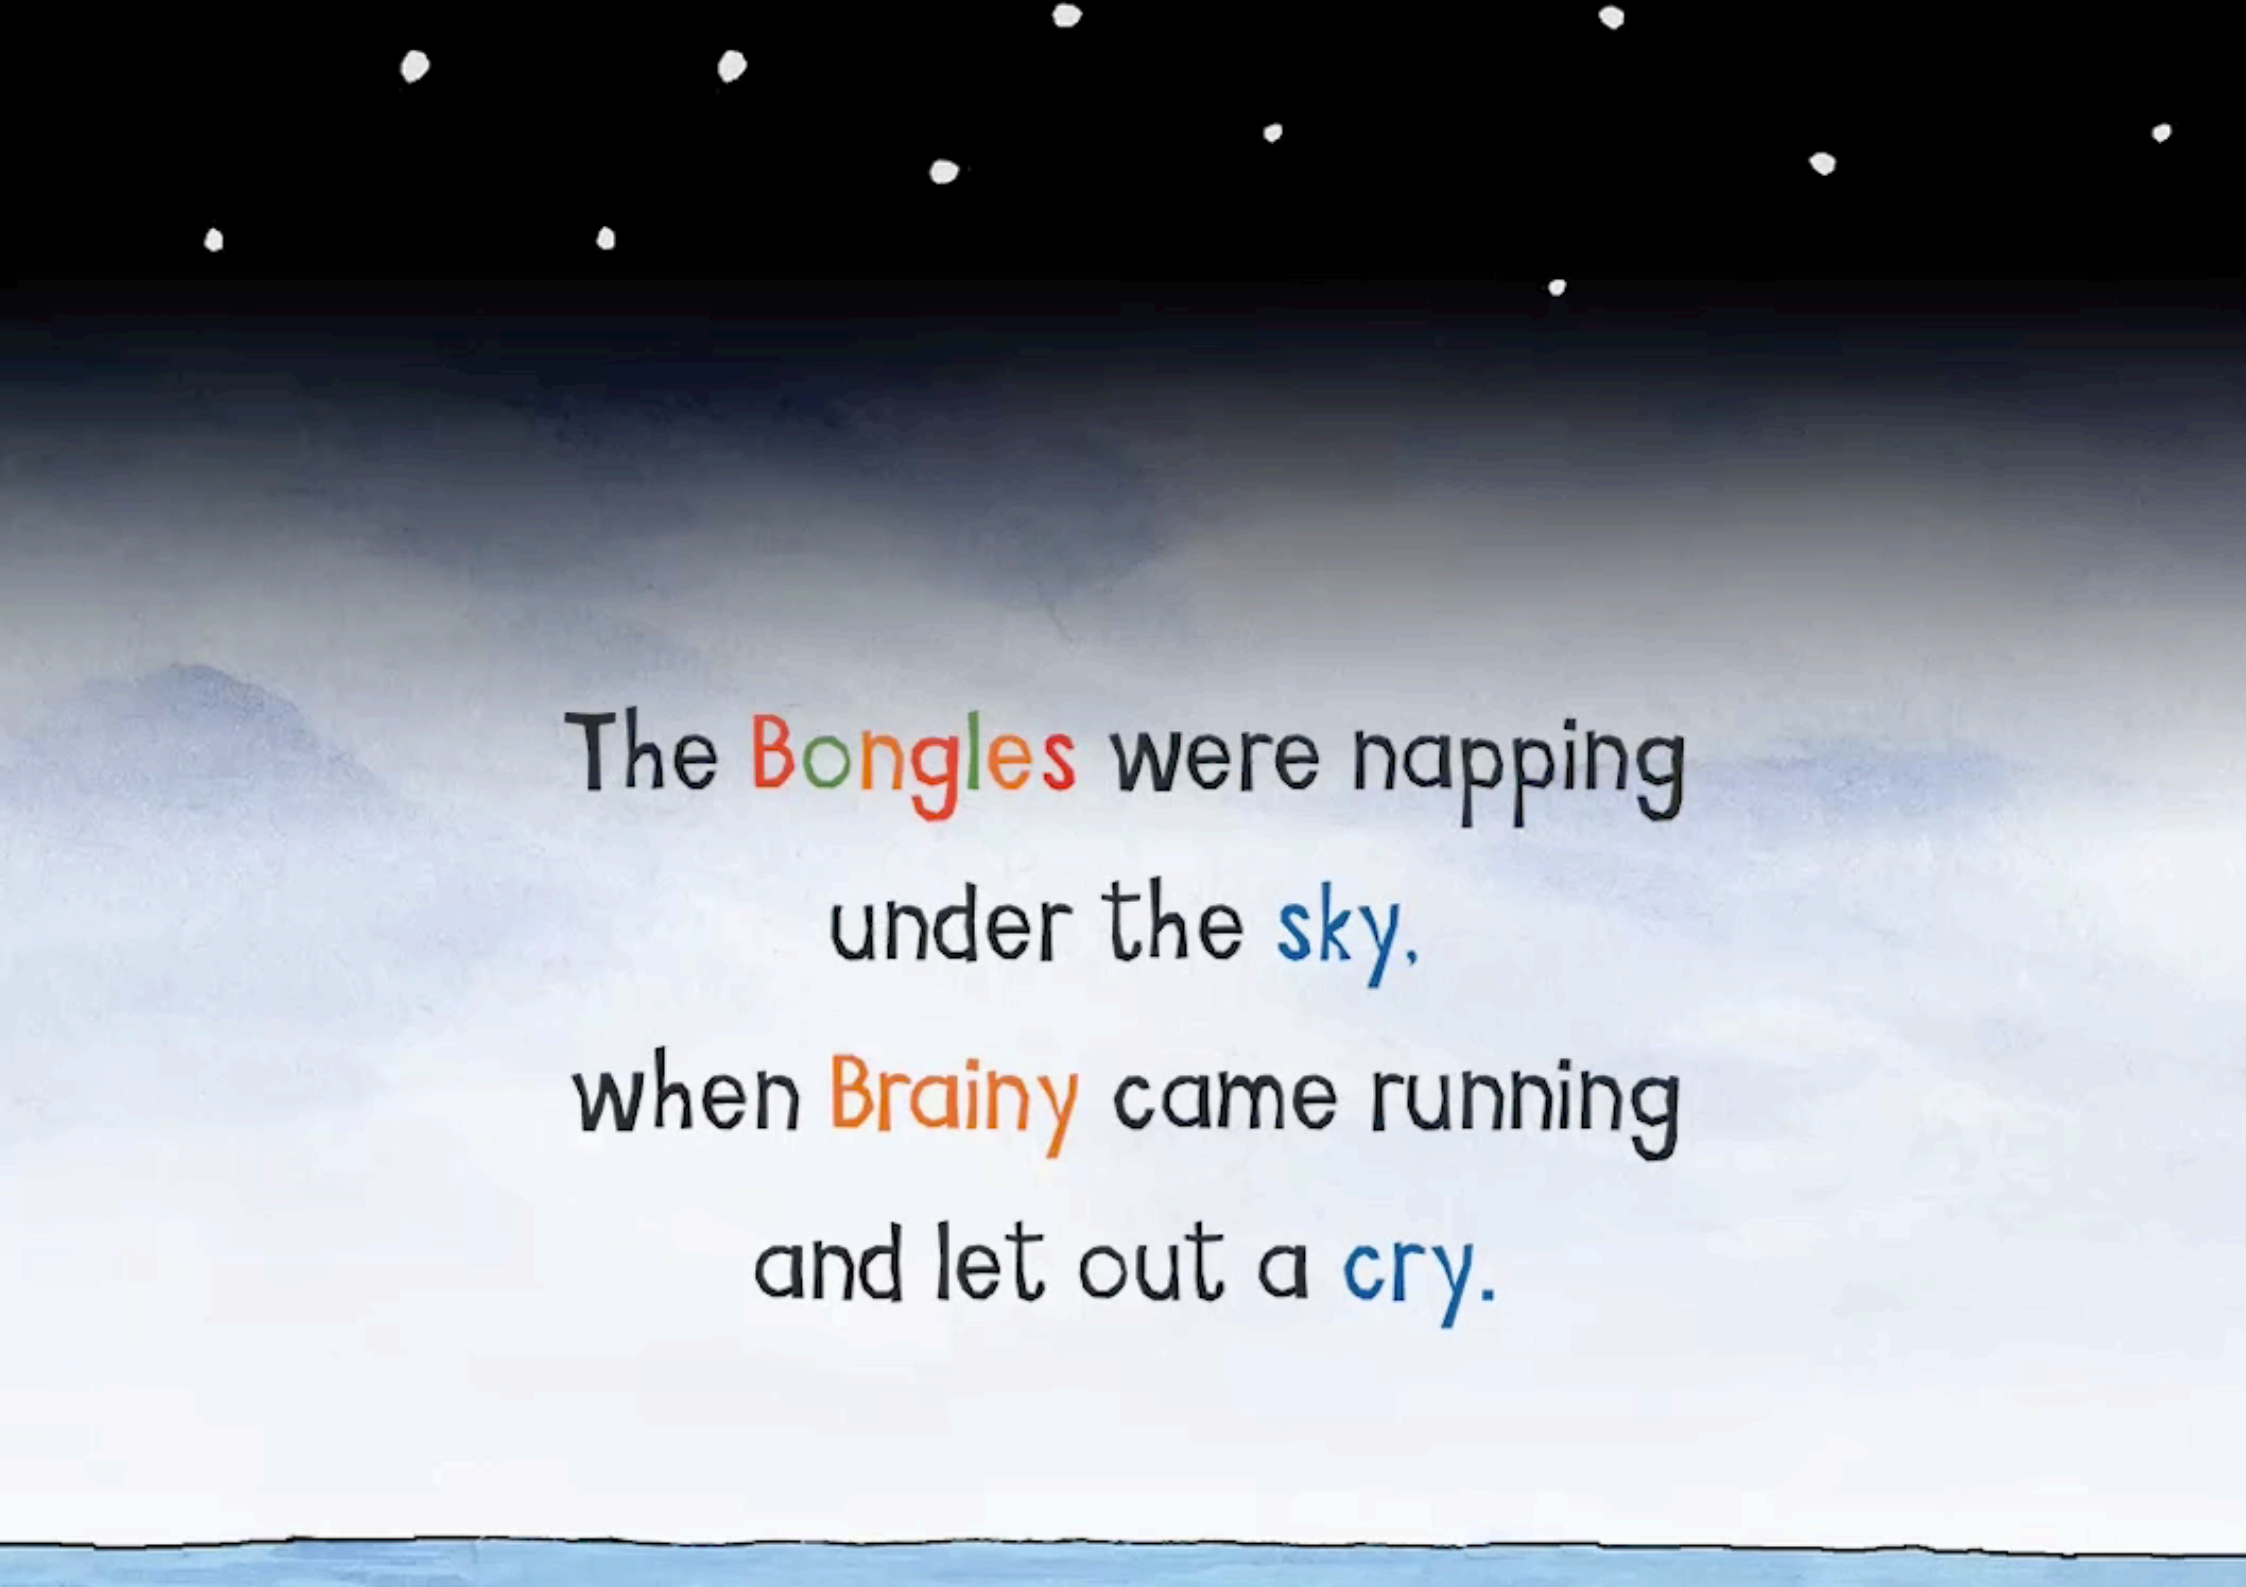

This is Pet Robot,
built from spare parts.
He is their mascot
and dear to their hearts.

On a planet far far away...

- the night was about to make way for the day.

The background of the image is a dark night sky filled with numerous small, white stars. Below the stars, there is a lighter, hazy blue area that suggests a distant horizon or a body of water. The text is centered in the middle of the image.

The Bongles were napping
under the sky,
when Brainy came running
and let out a cry.

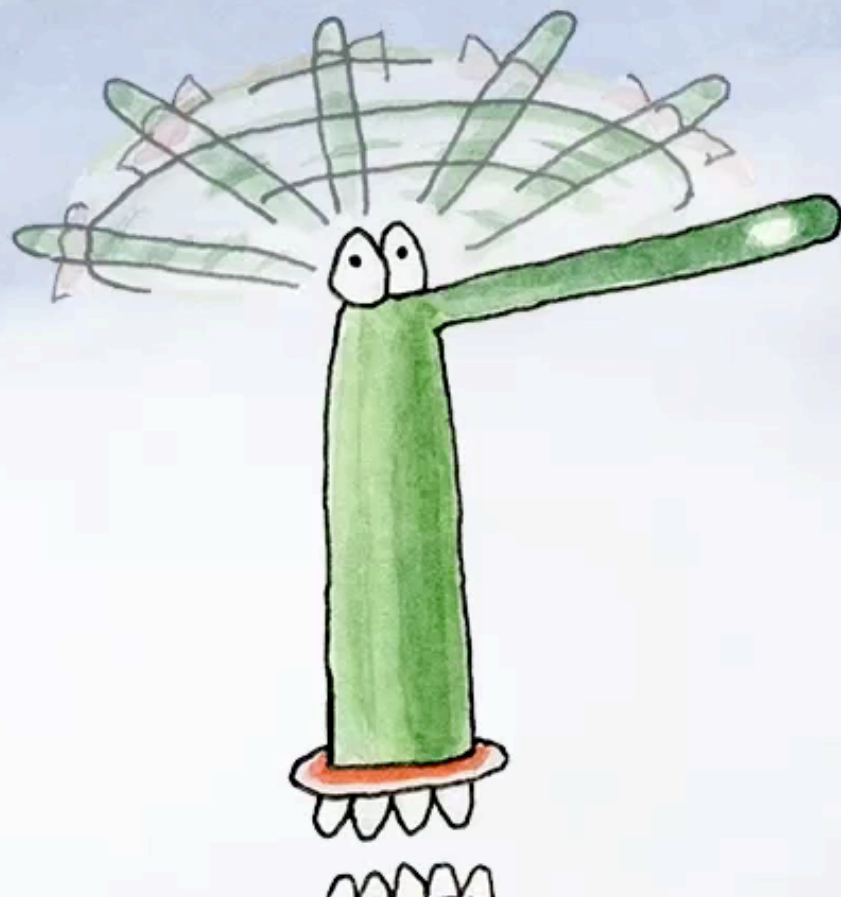

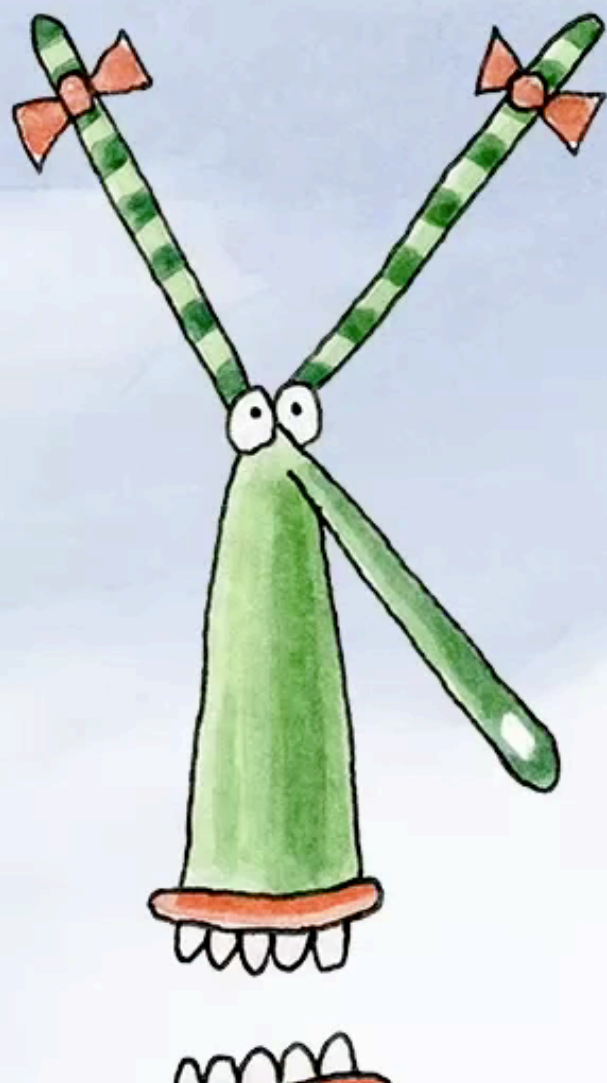

He pointed out
to the mountain of grime,
all sploshing about
in a sea of green slime.

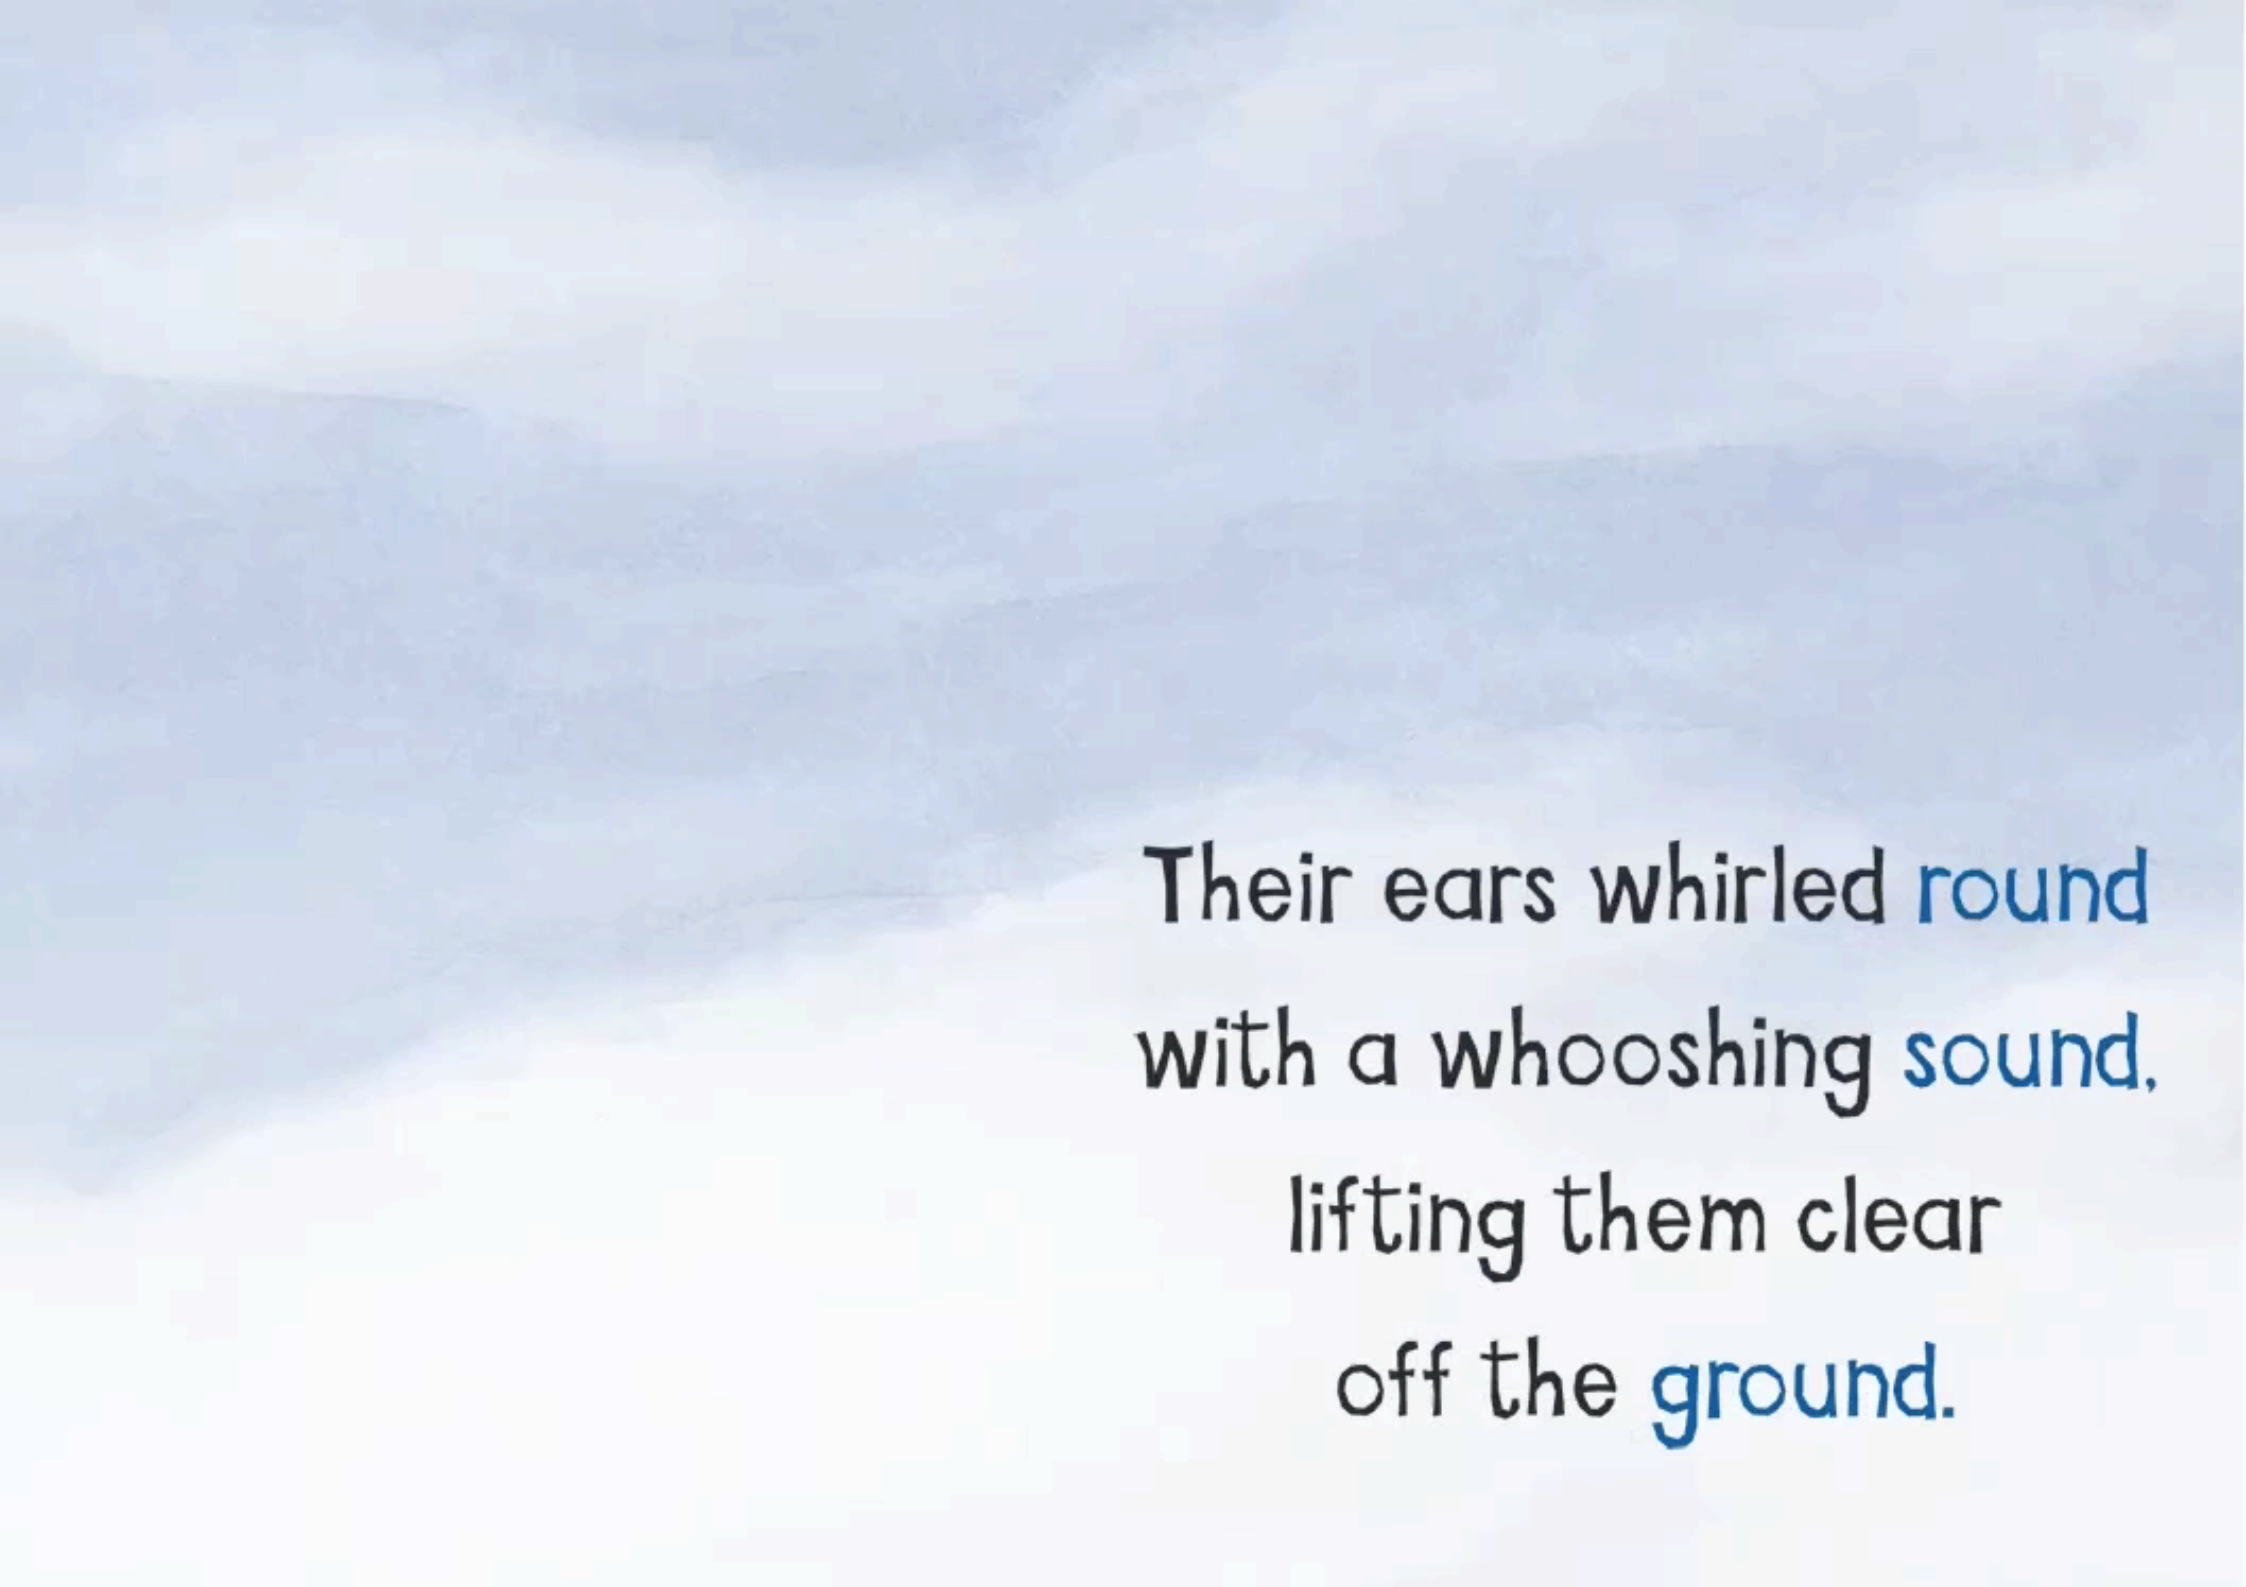

Broken TVs and giant fridge freezers,
all slimy and brown like molten Maltesers.
Hair dryers and cars, and broken guitars,
and dirty old ashtrays with smoked cigars.

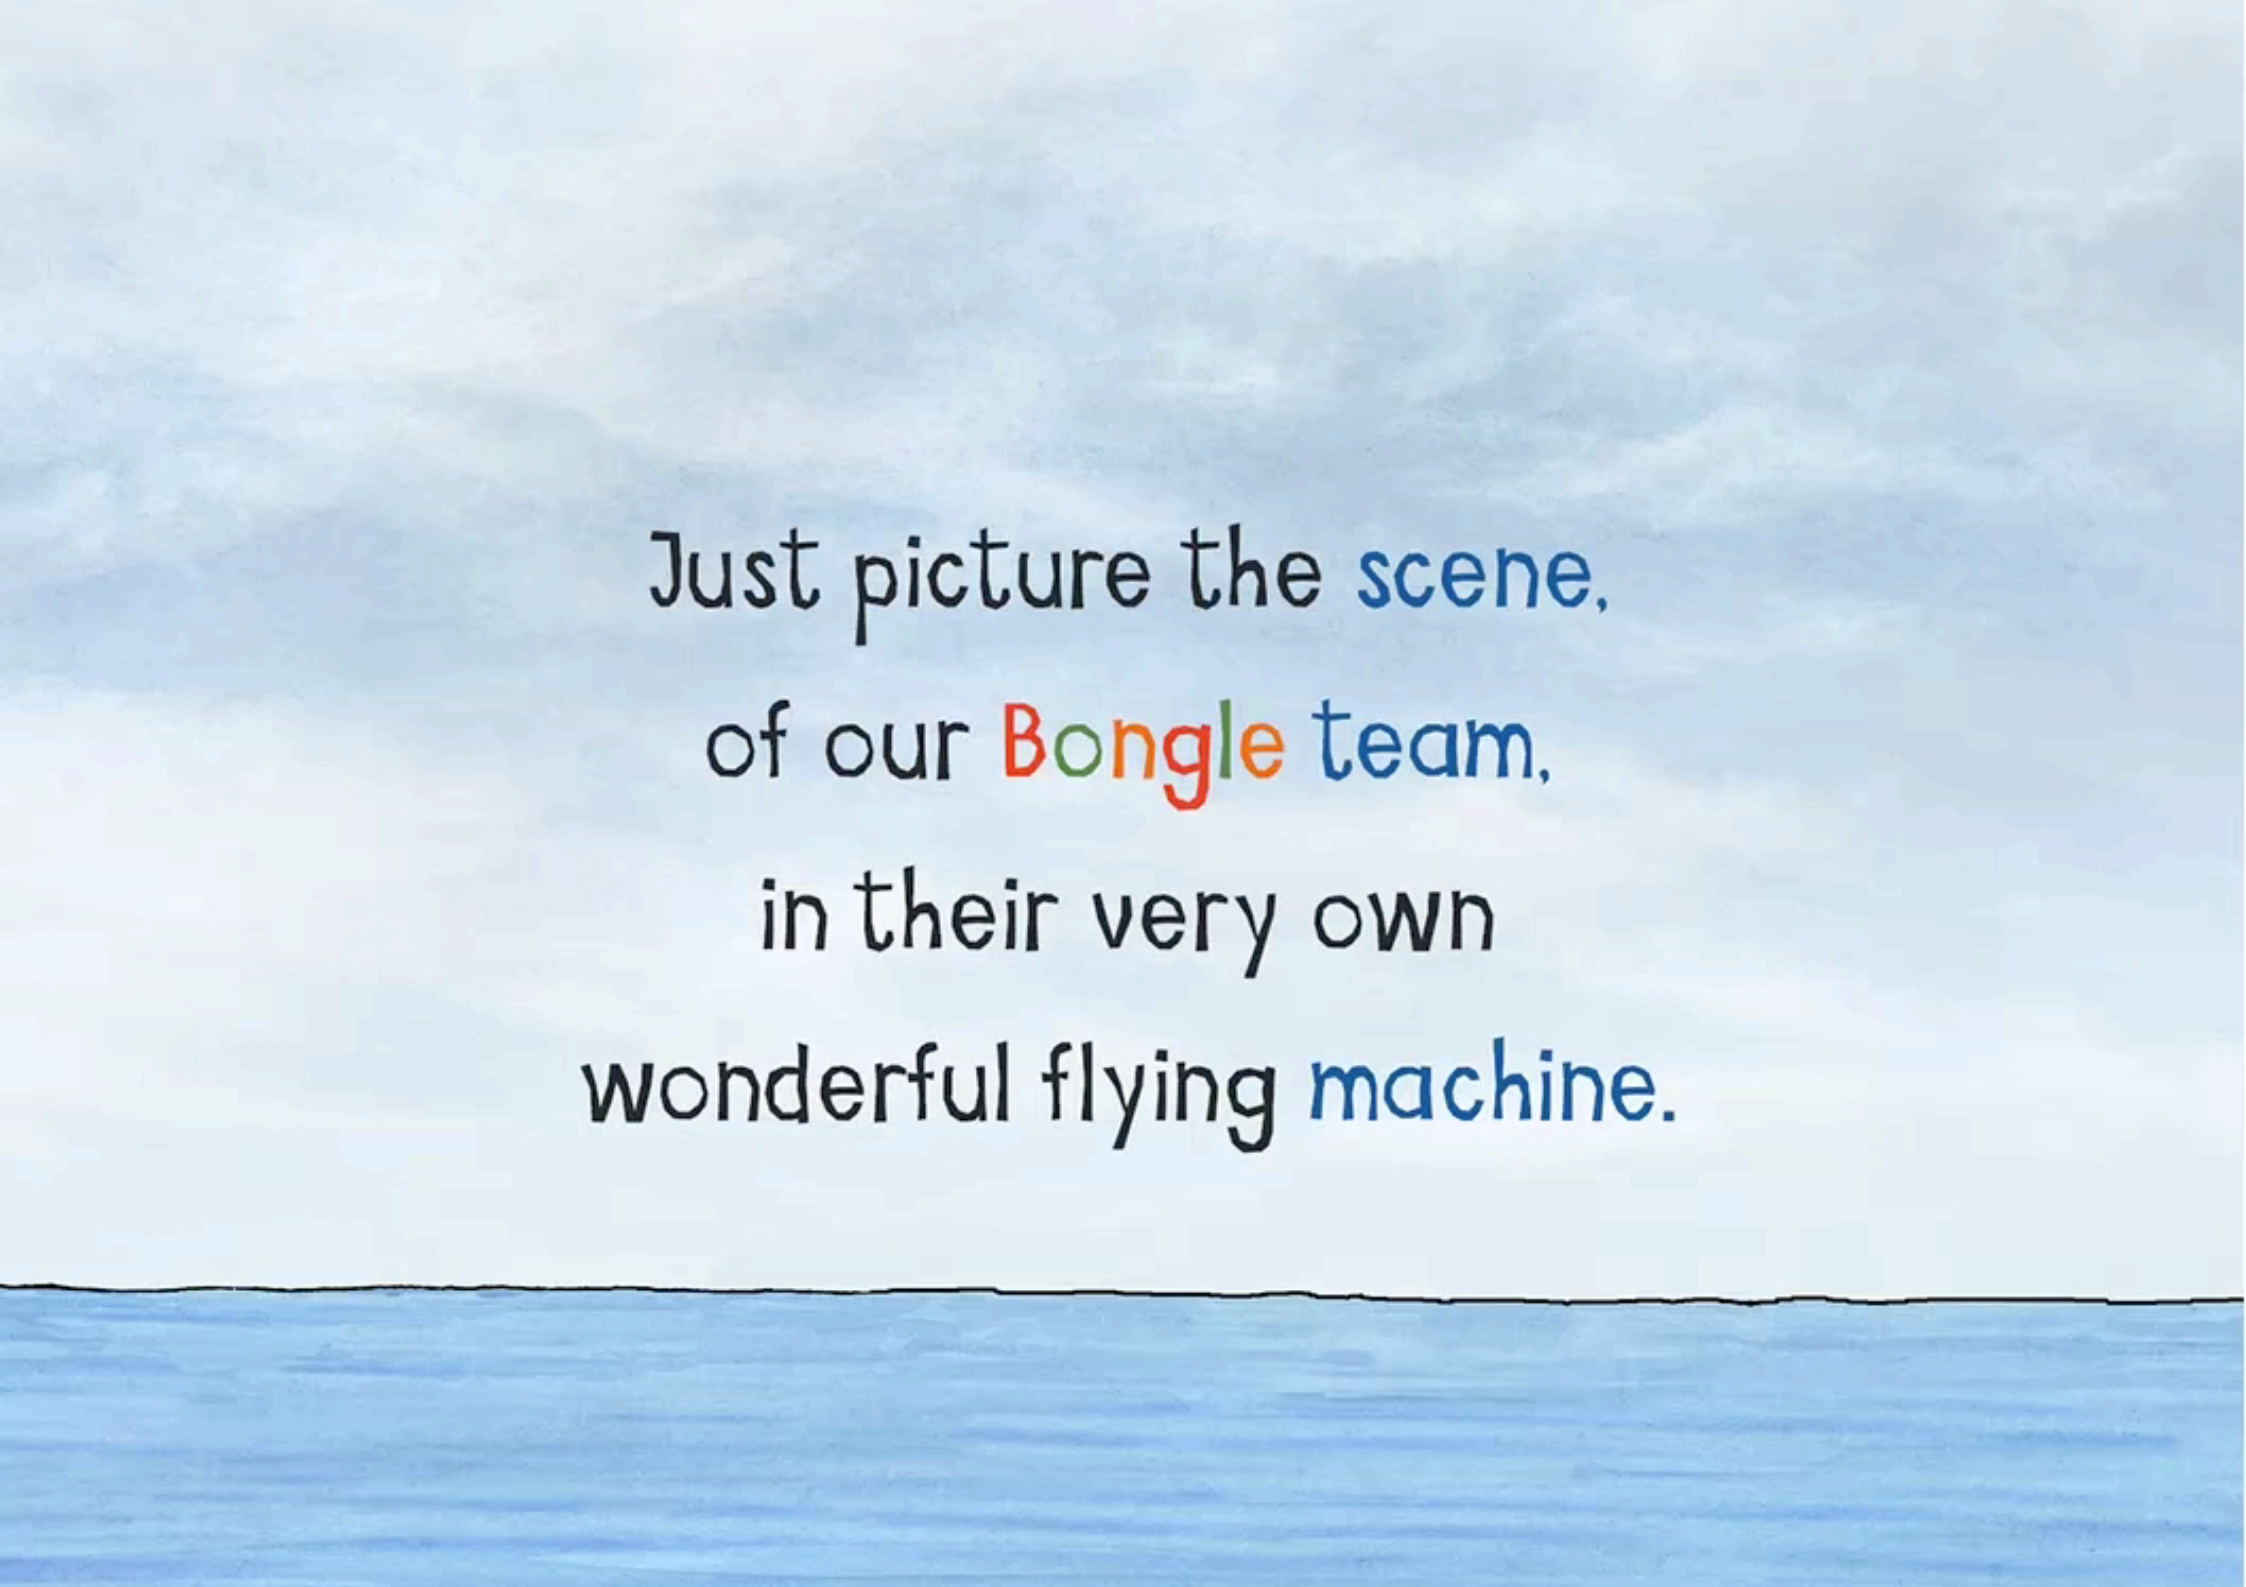

The Twins looked up
from what they had seen.

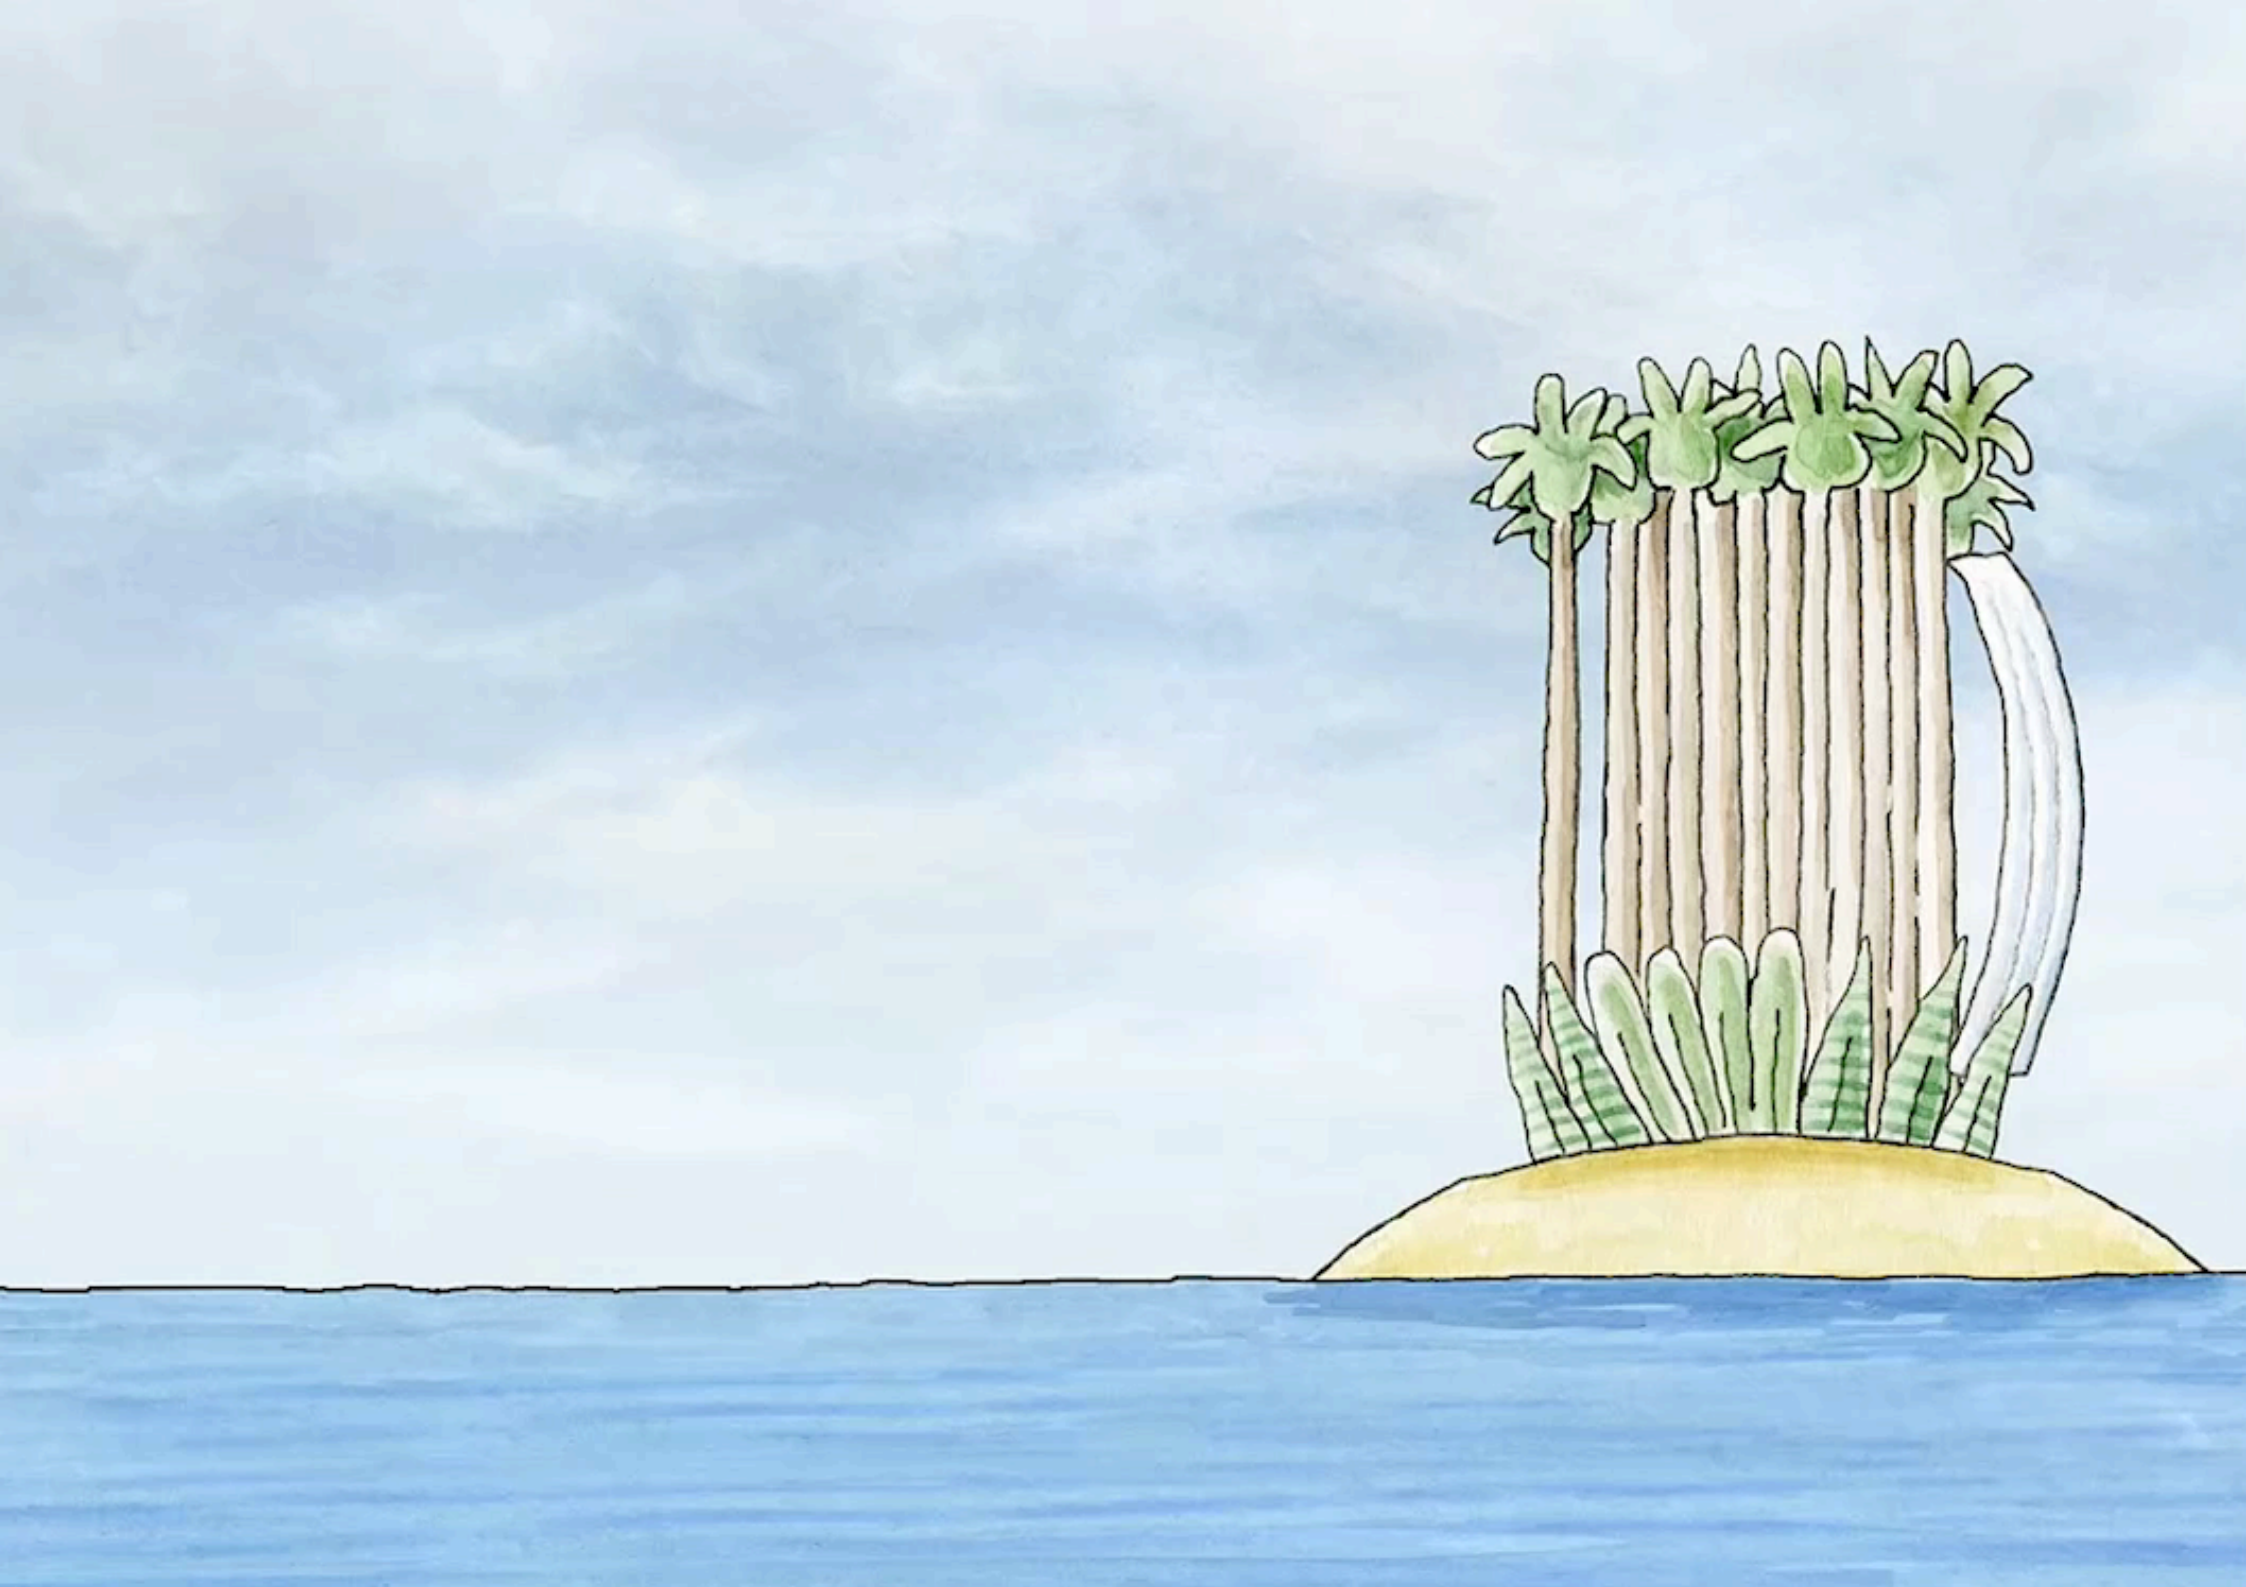

Their ears whirled round
with a whooshing sound,
lifting them clear
off the ground.

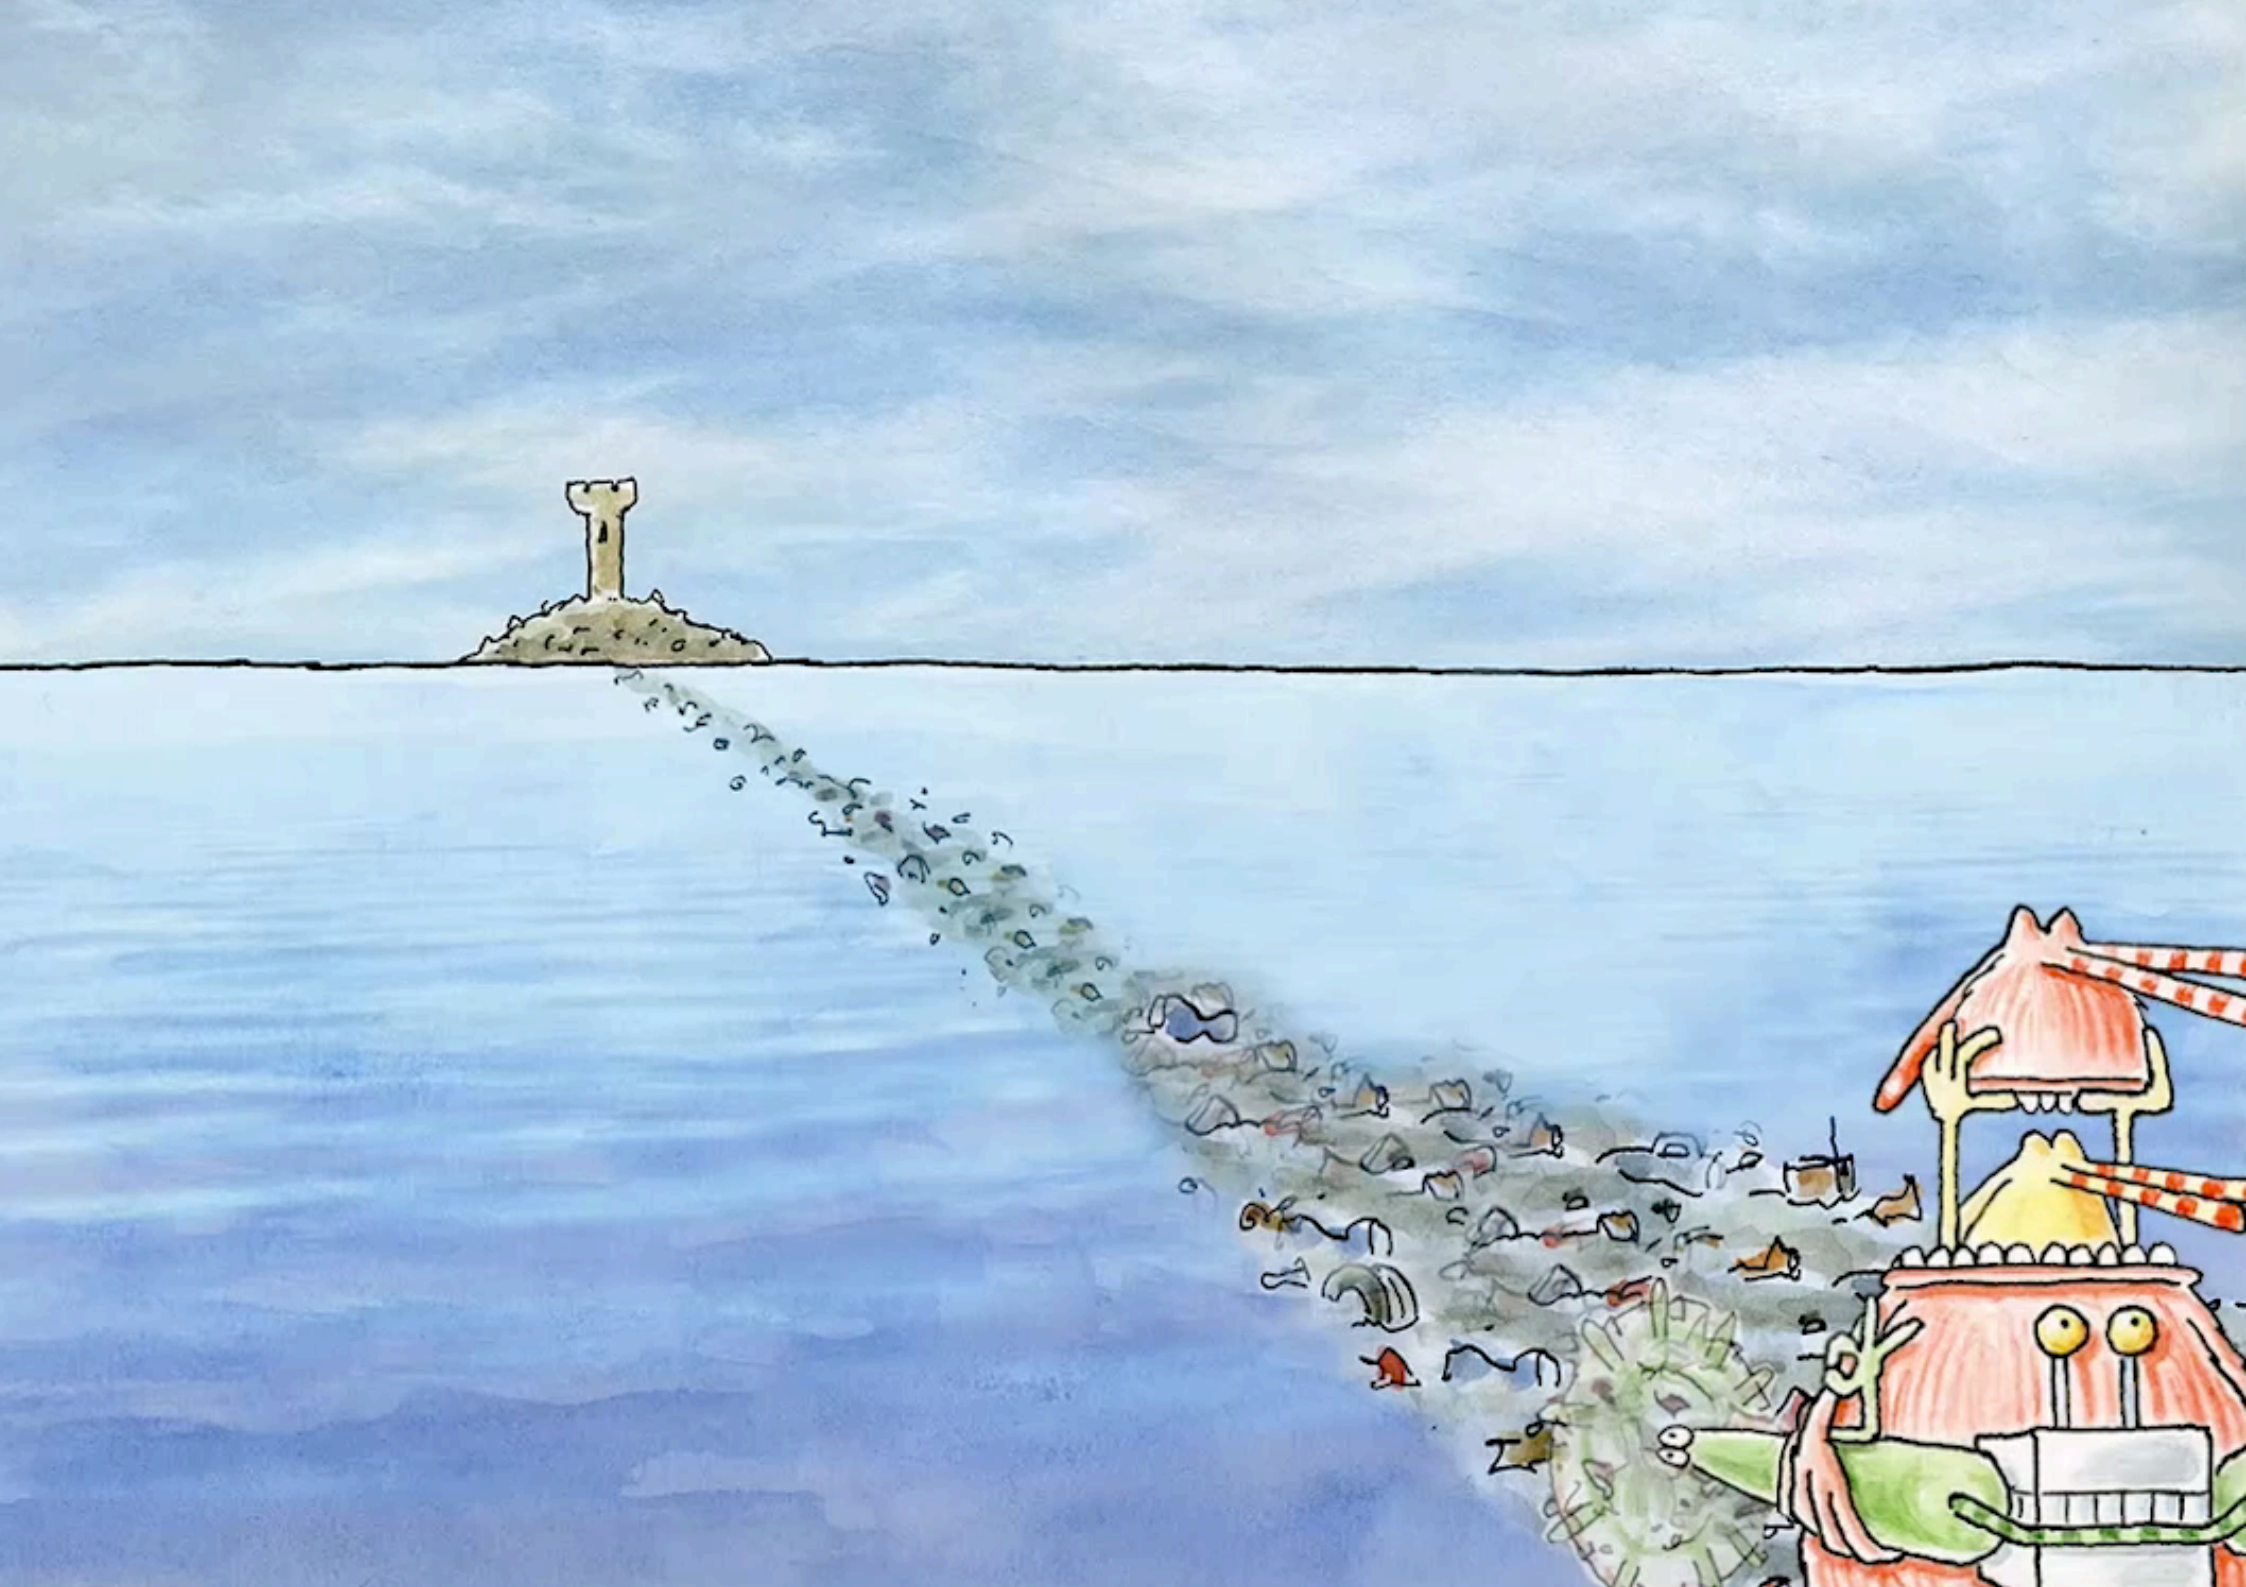

Bubba grabbed hold
and Brainy jumped on,
The Twins kept spinning
and soon they were gone.

Just picture the scene,
of our Bungle team,
in their very own
wonderful flying machine.

Over above
the long rubbish trail,
The Twins kept spinning
and so did their tail.

But soon they grew tired,
and came to a **stop**.
Their ears stopped spinning,
they started to **drop**...

Down they slid,
onto a landfill,
till they reached the ground and
came to a standstill.

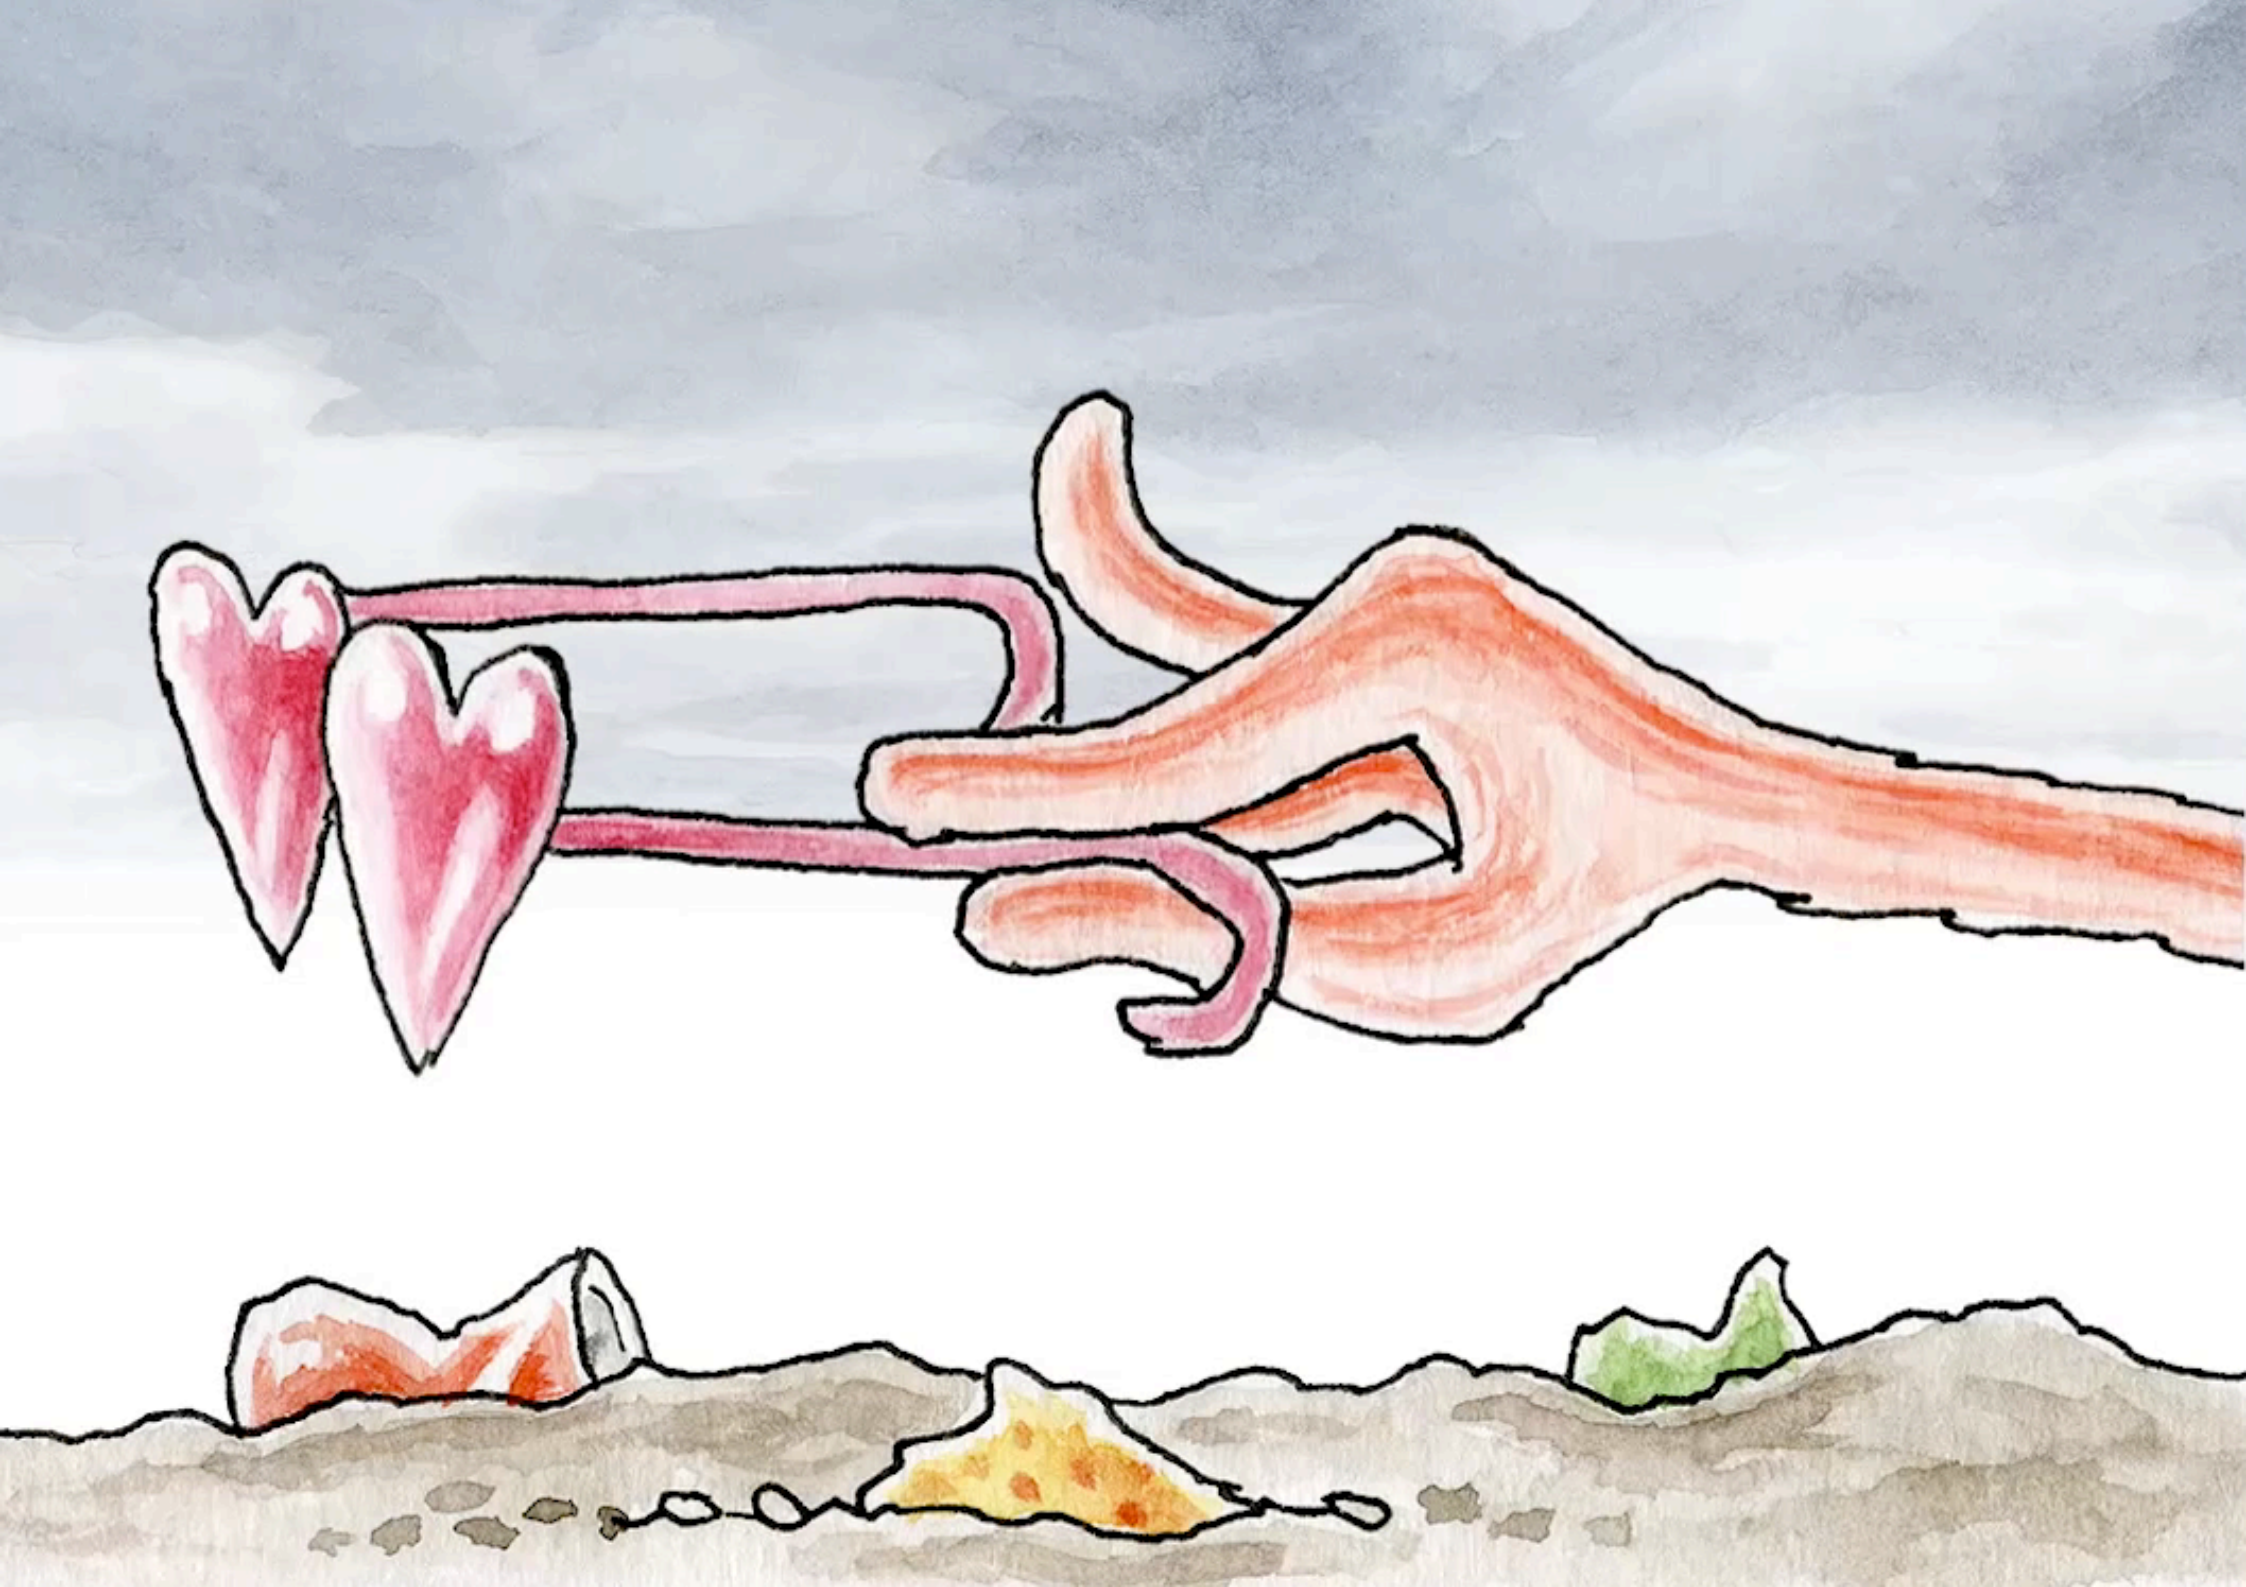

There stood a creature,
on a mountain of trash,
chewing on garbage,
breath smelling of ash...
Its teeth were all hairy
and yellowy green,
so unsightly.
They'd never been cleaned...

Its fleece all smelly
and jumping with fleas.

Its belly was slimy
and covered with grease.

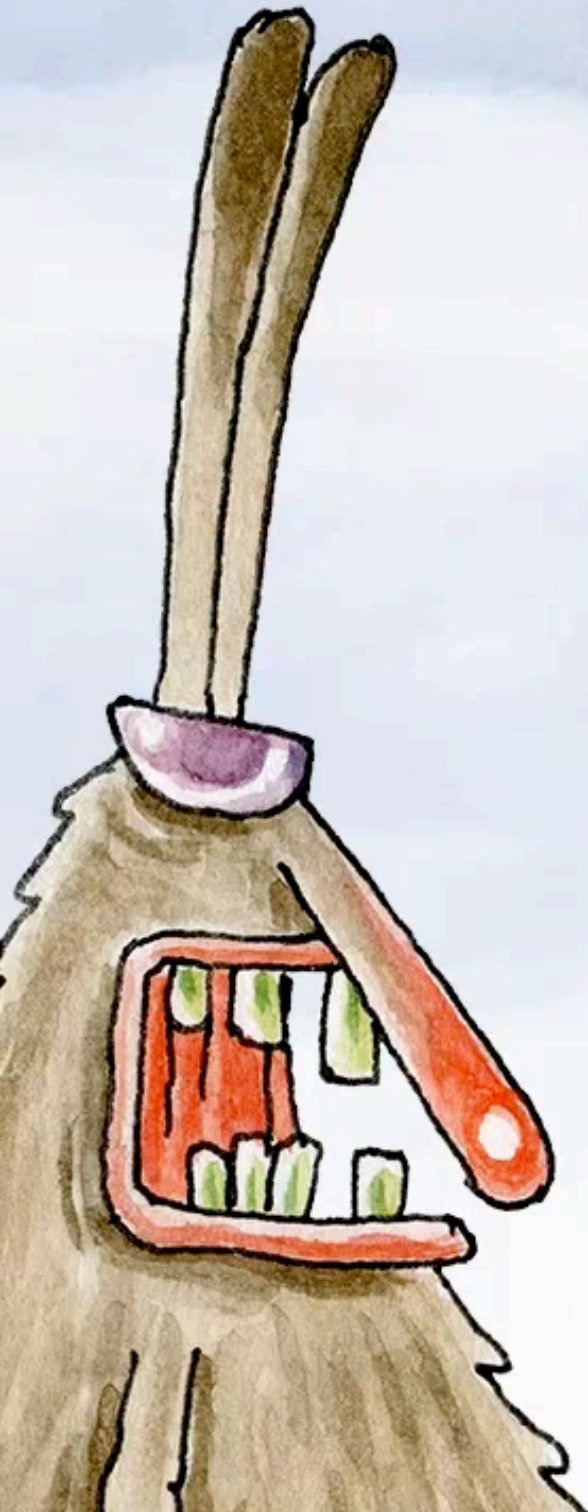

Brainy was shocked,
The Twins were appalled,
but Bubba was staring
completely enthralled...
Amidst all the rubbish,
waste and neglect,
Big Bubba had found
some rose tinted specs.

As he put them on
the rubbish was gone.
To him the world was
as bright as could be,
with hills of green
and a deep blue sea.

What was dirty and smelly
seemed to **Bubba divine**,
including the creature

He made her a ring,
from blue mouldy cheese,
went down on his knees,
and begged her to please,
for ever and ever
be his 'little squeeze.'

So off they went,
to see the King,
plan for the wedding
and show off the ring.

Food was prepared
and Bubba declared

'Oh! What a treat!'

As he licked his lips
and started to eat.

He ate like the clappers
discarding the wrappers,
in a pile so high,
that it grew and grew,
till it reached the sky.

Big Bubba ate hearty,
he so liked a party,
but the King was getting
a little bit narky.

The King had enough,
it was time to get tough,
no one had ever
eaten this much.

The King threw out Bubba
with the rest of the trash,
and Bubba fell down
with an almighty crash.

Knee deep in **waste**,

alone and **disgraced**,

Big Bubba curled up in a **heap**.

To make matters worse,

the King shouted and cursed,

and **Bubba** started to **weep**.

But then Bubba heard,
the castle door open,
a voice cried out 'Ahoy!'
Bubba stopped crying,
his girlfriend dropped by,
and Bubba jumped for joy.

Rubbish Girl appeared at the door,
acting all giddy and coy.

But it was not for him she was calling,
but for a Rubbish Boy!

Big Bubba hollered

but she couldn't be bothered,

now that she'd found a new boy.

So **Bubba** stopped **crying**.
for her love he was **vying**.
and so he tried a new **ploy**.

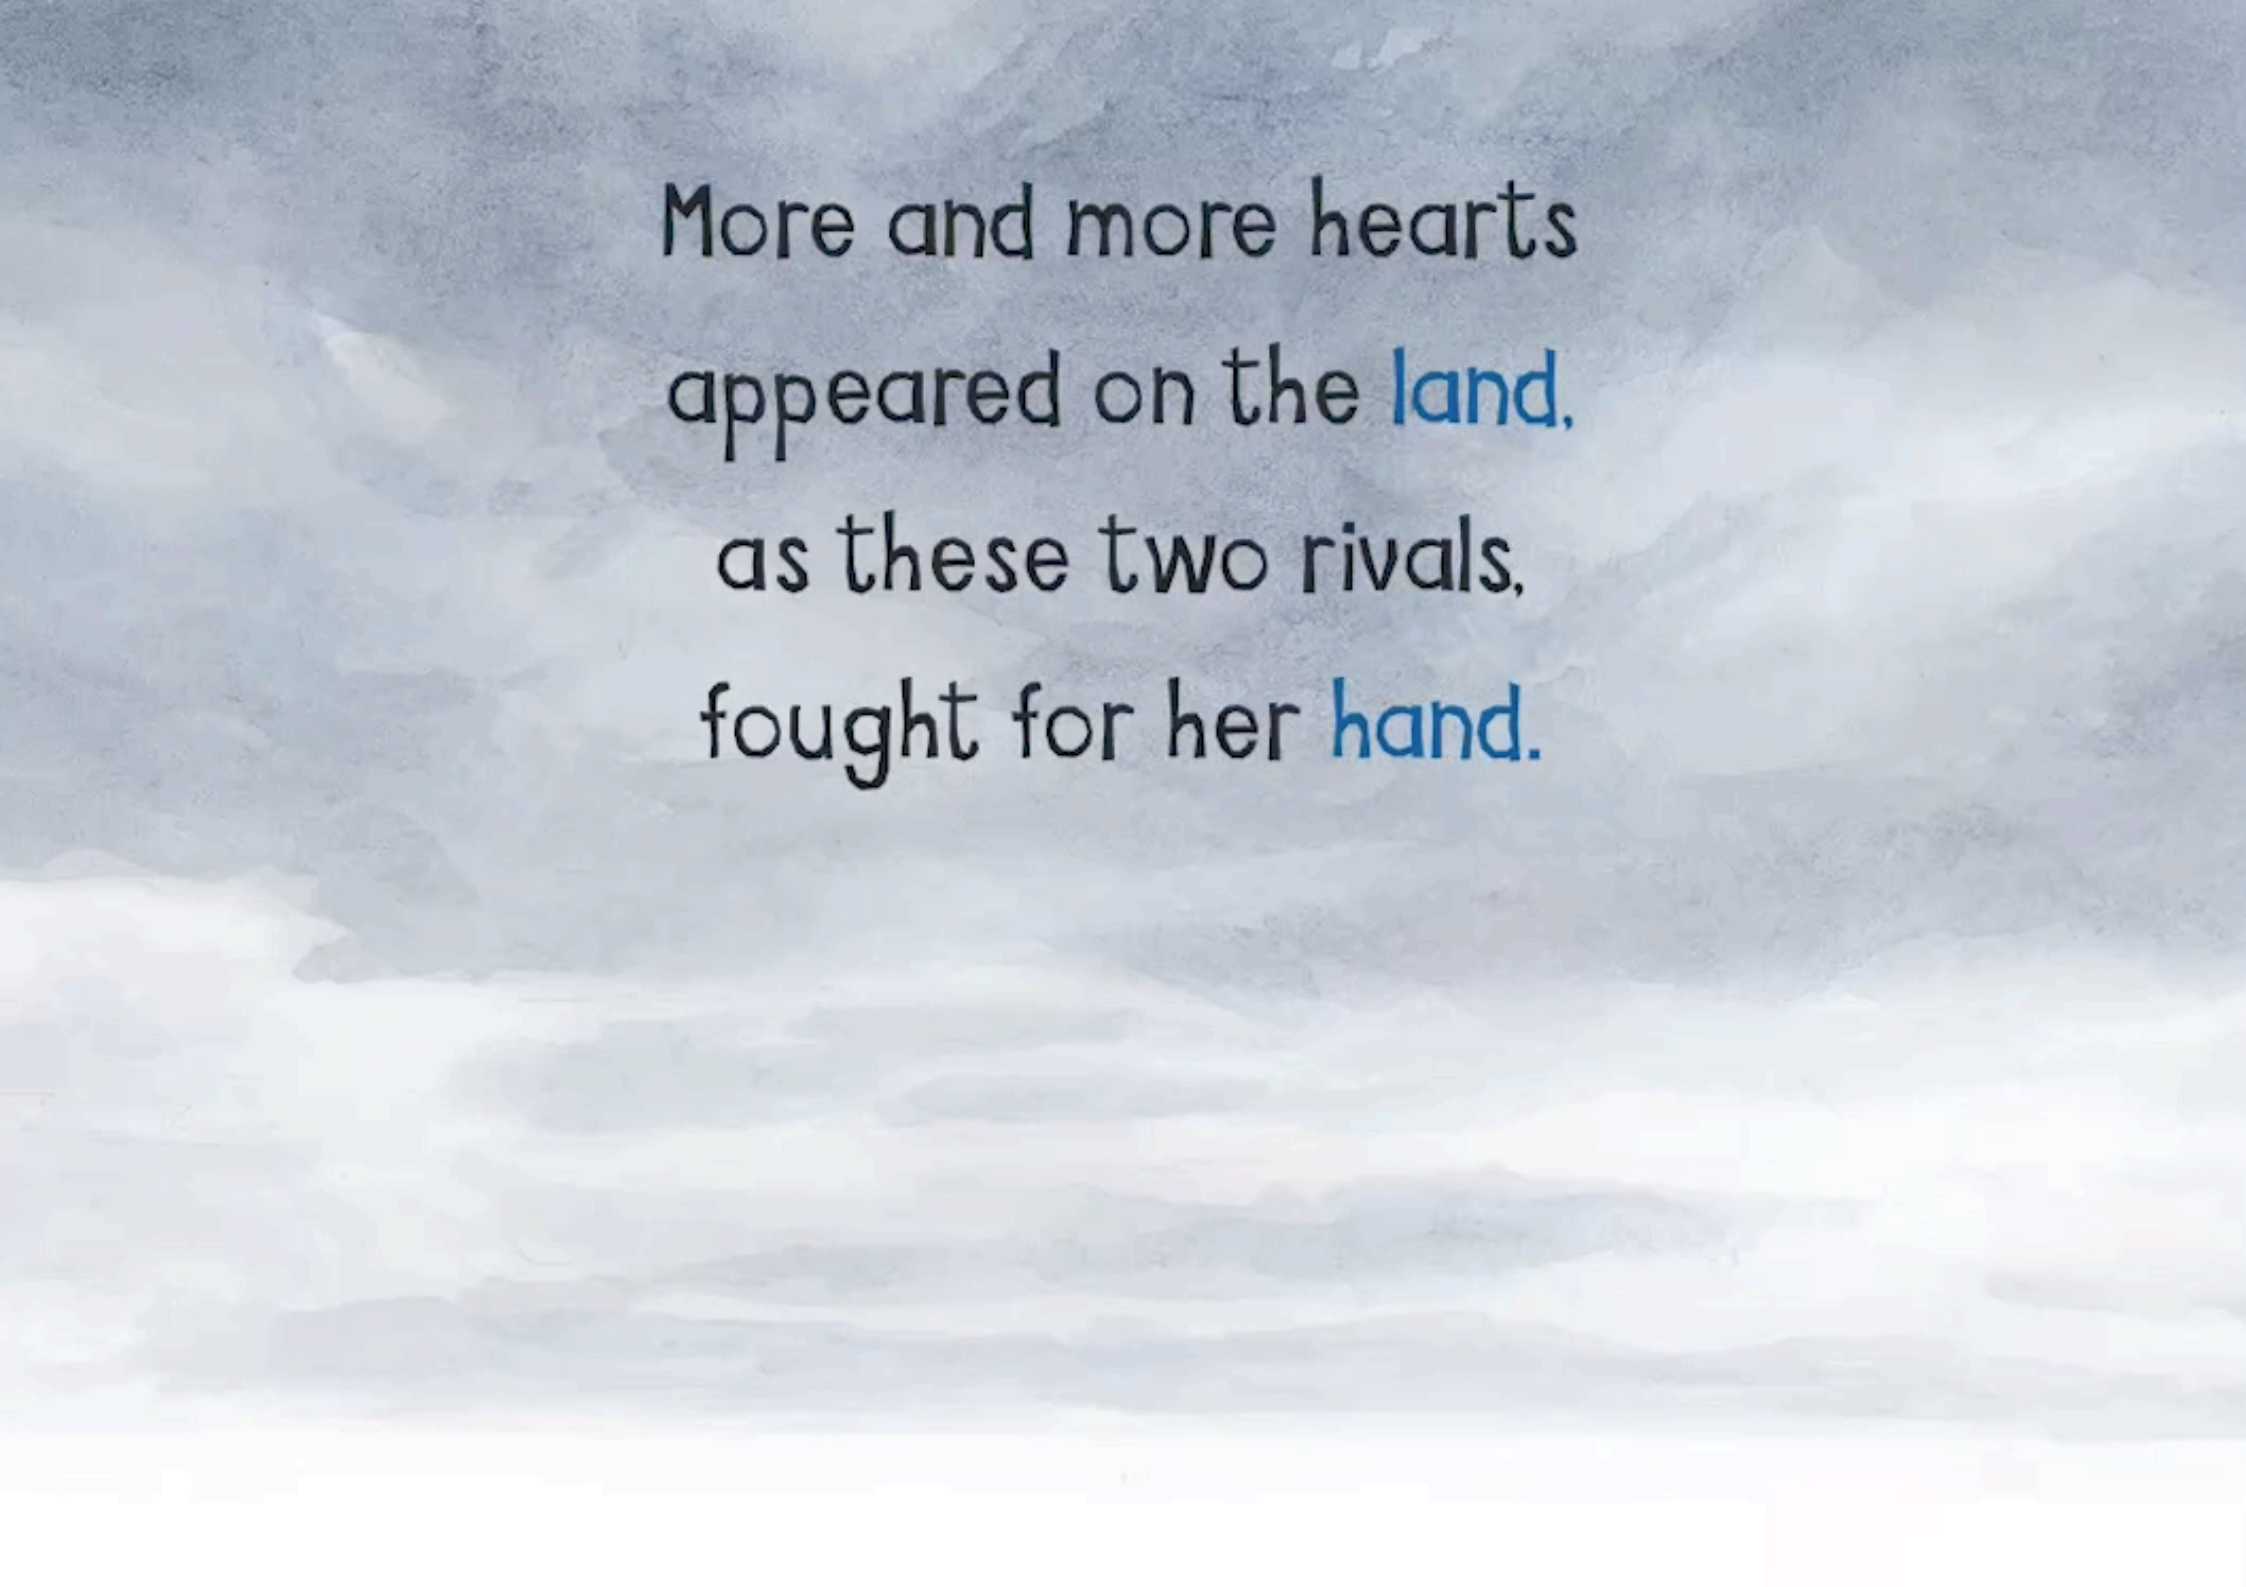

He gathered the rubbish
from up off the **ground**,
and fashioned a love heart,
so big and so **round**,
that Rubbish Girl noticed,
looked over and **frowned**.
So taken was she,
by his gesture so **bold**,
she left her new boyfriend,
right out in the **cold**.

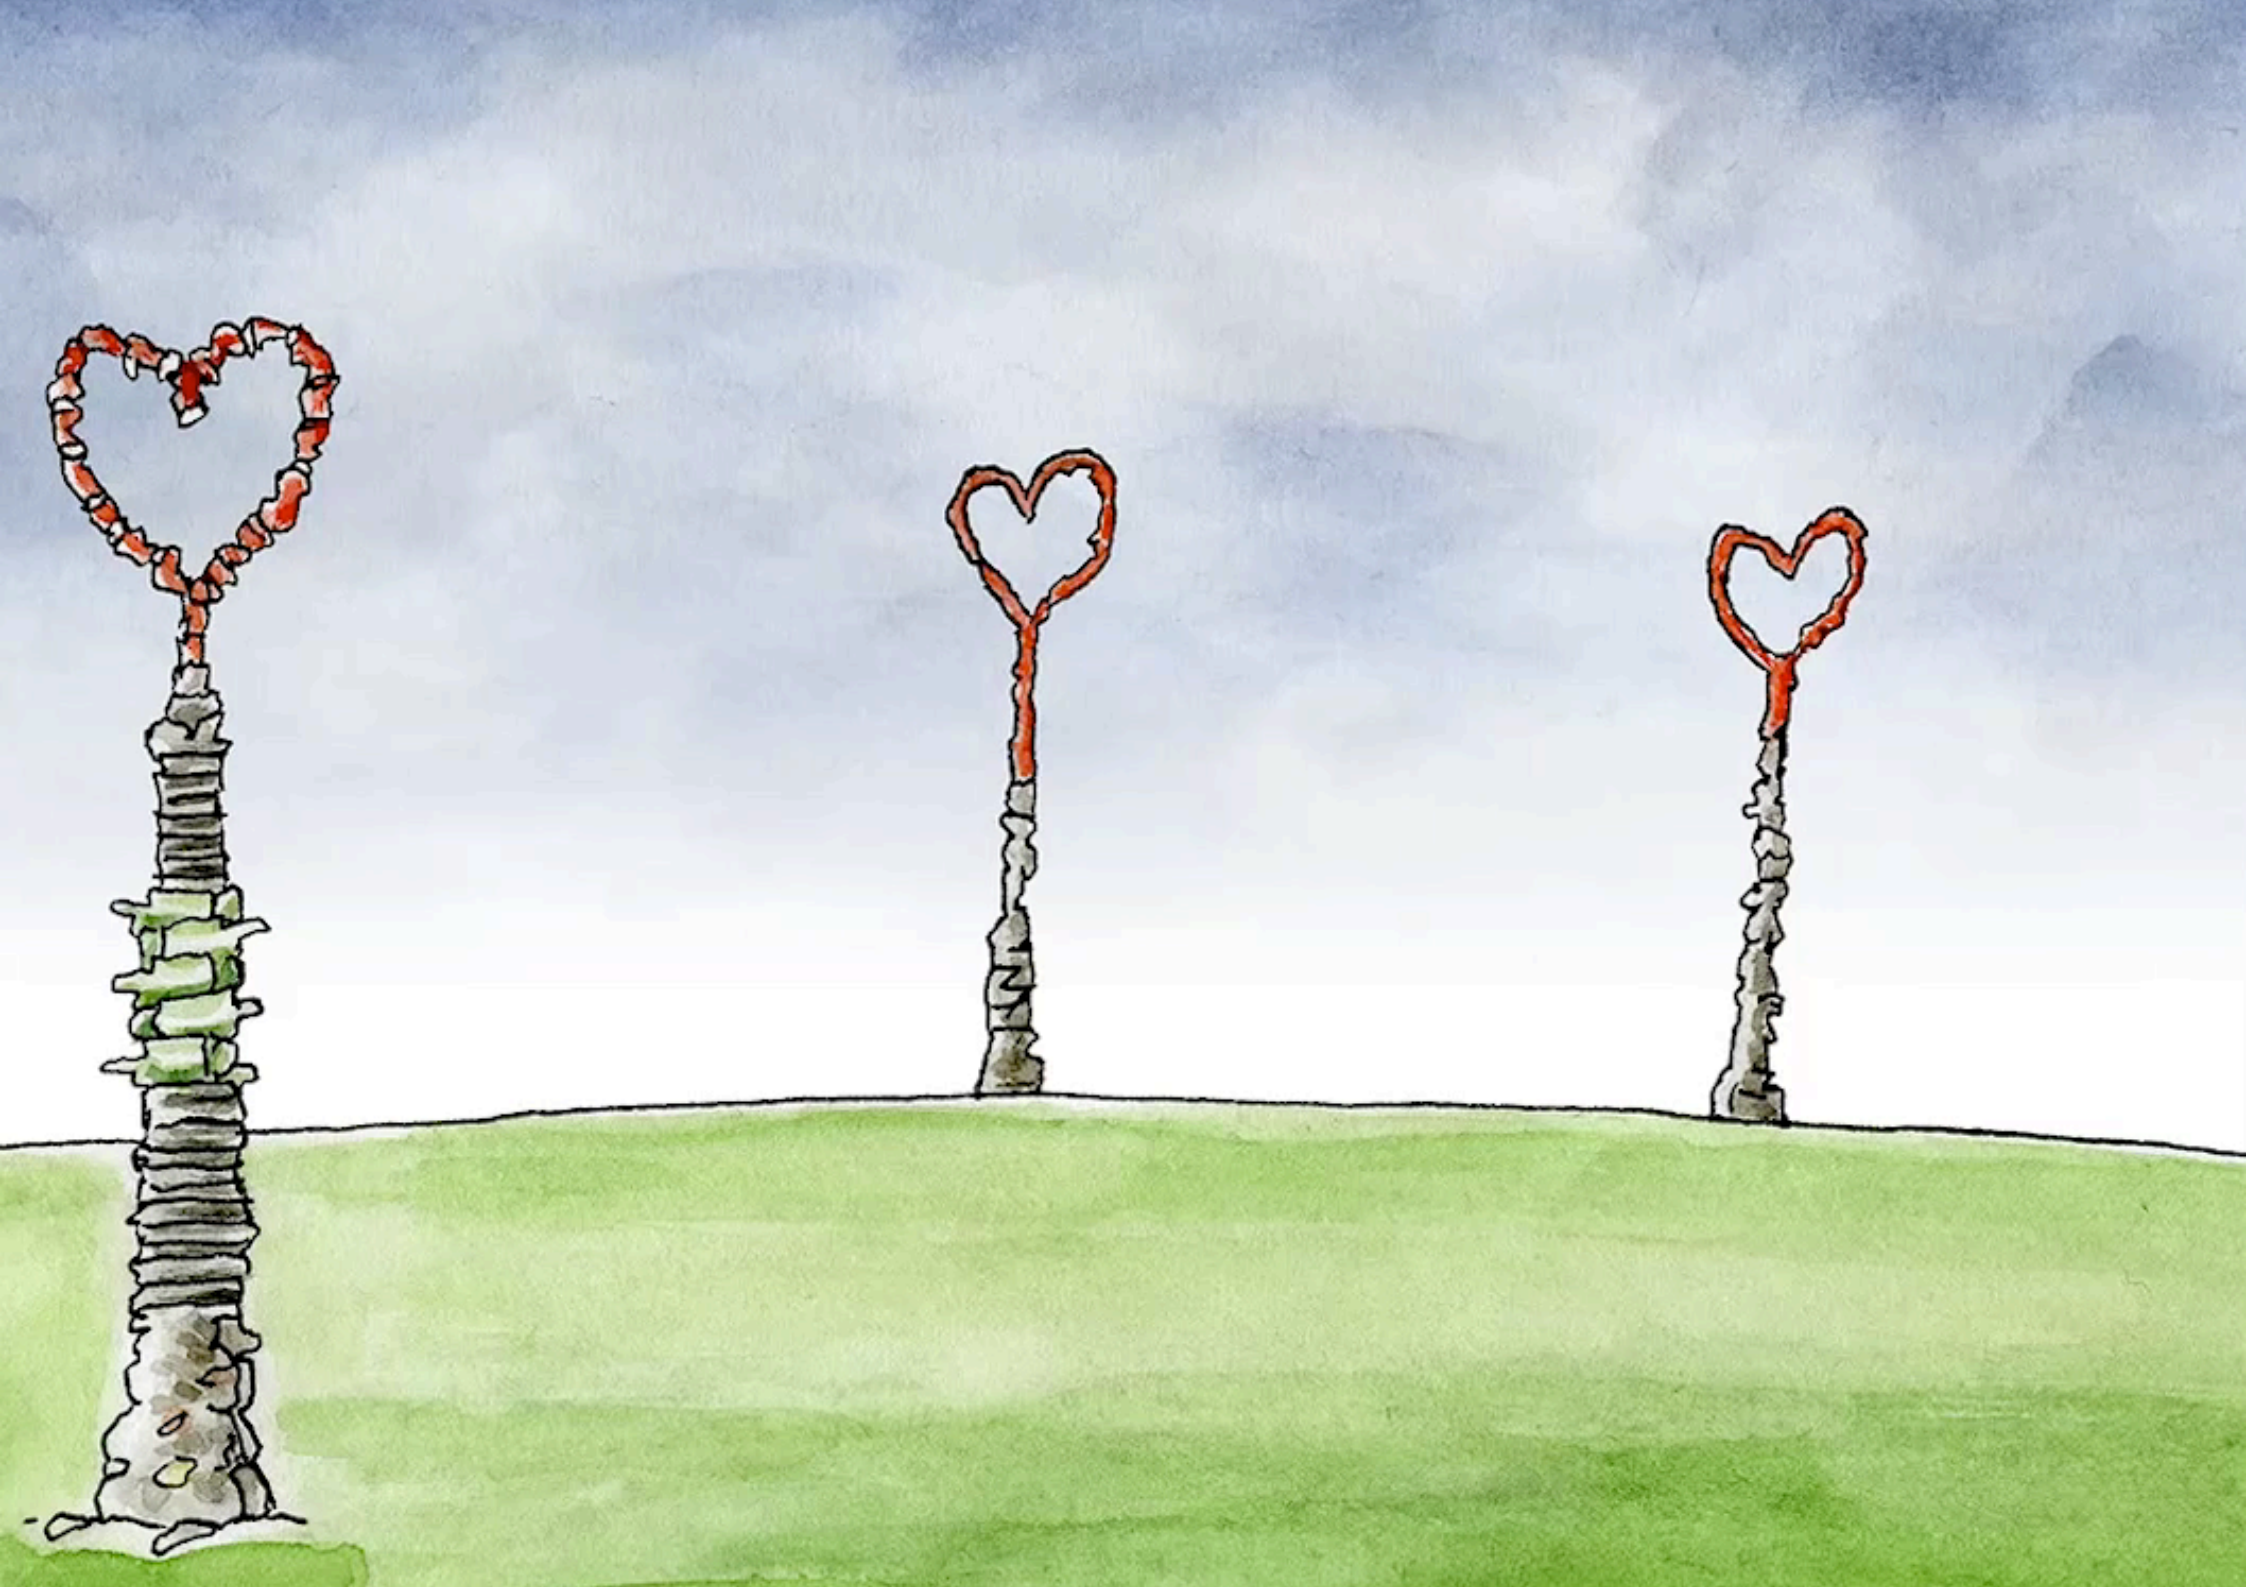

But the boy was not
for being ignored.

He made two love hearts
to settle the score.

To show his girl
he loved her even more.

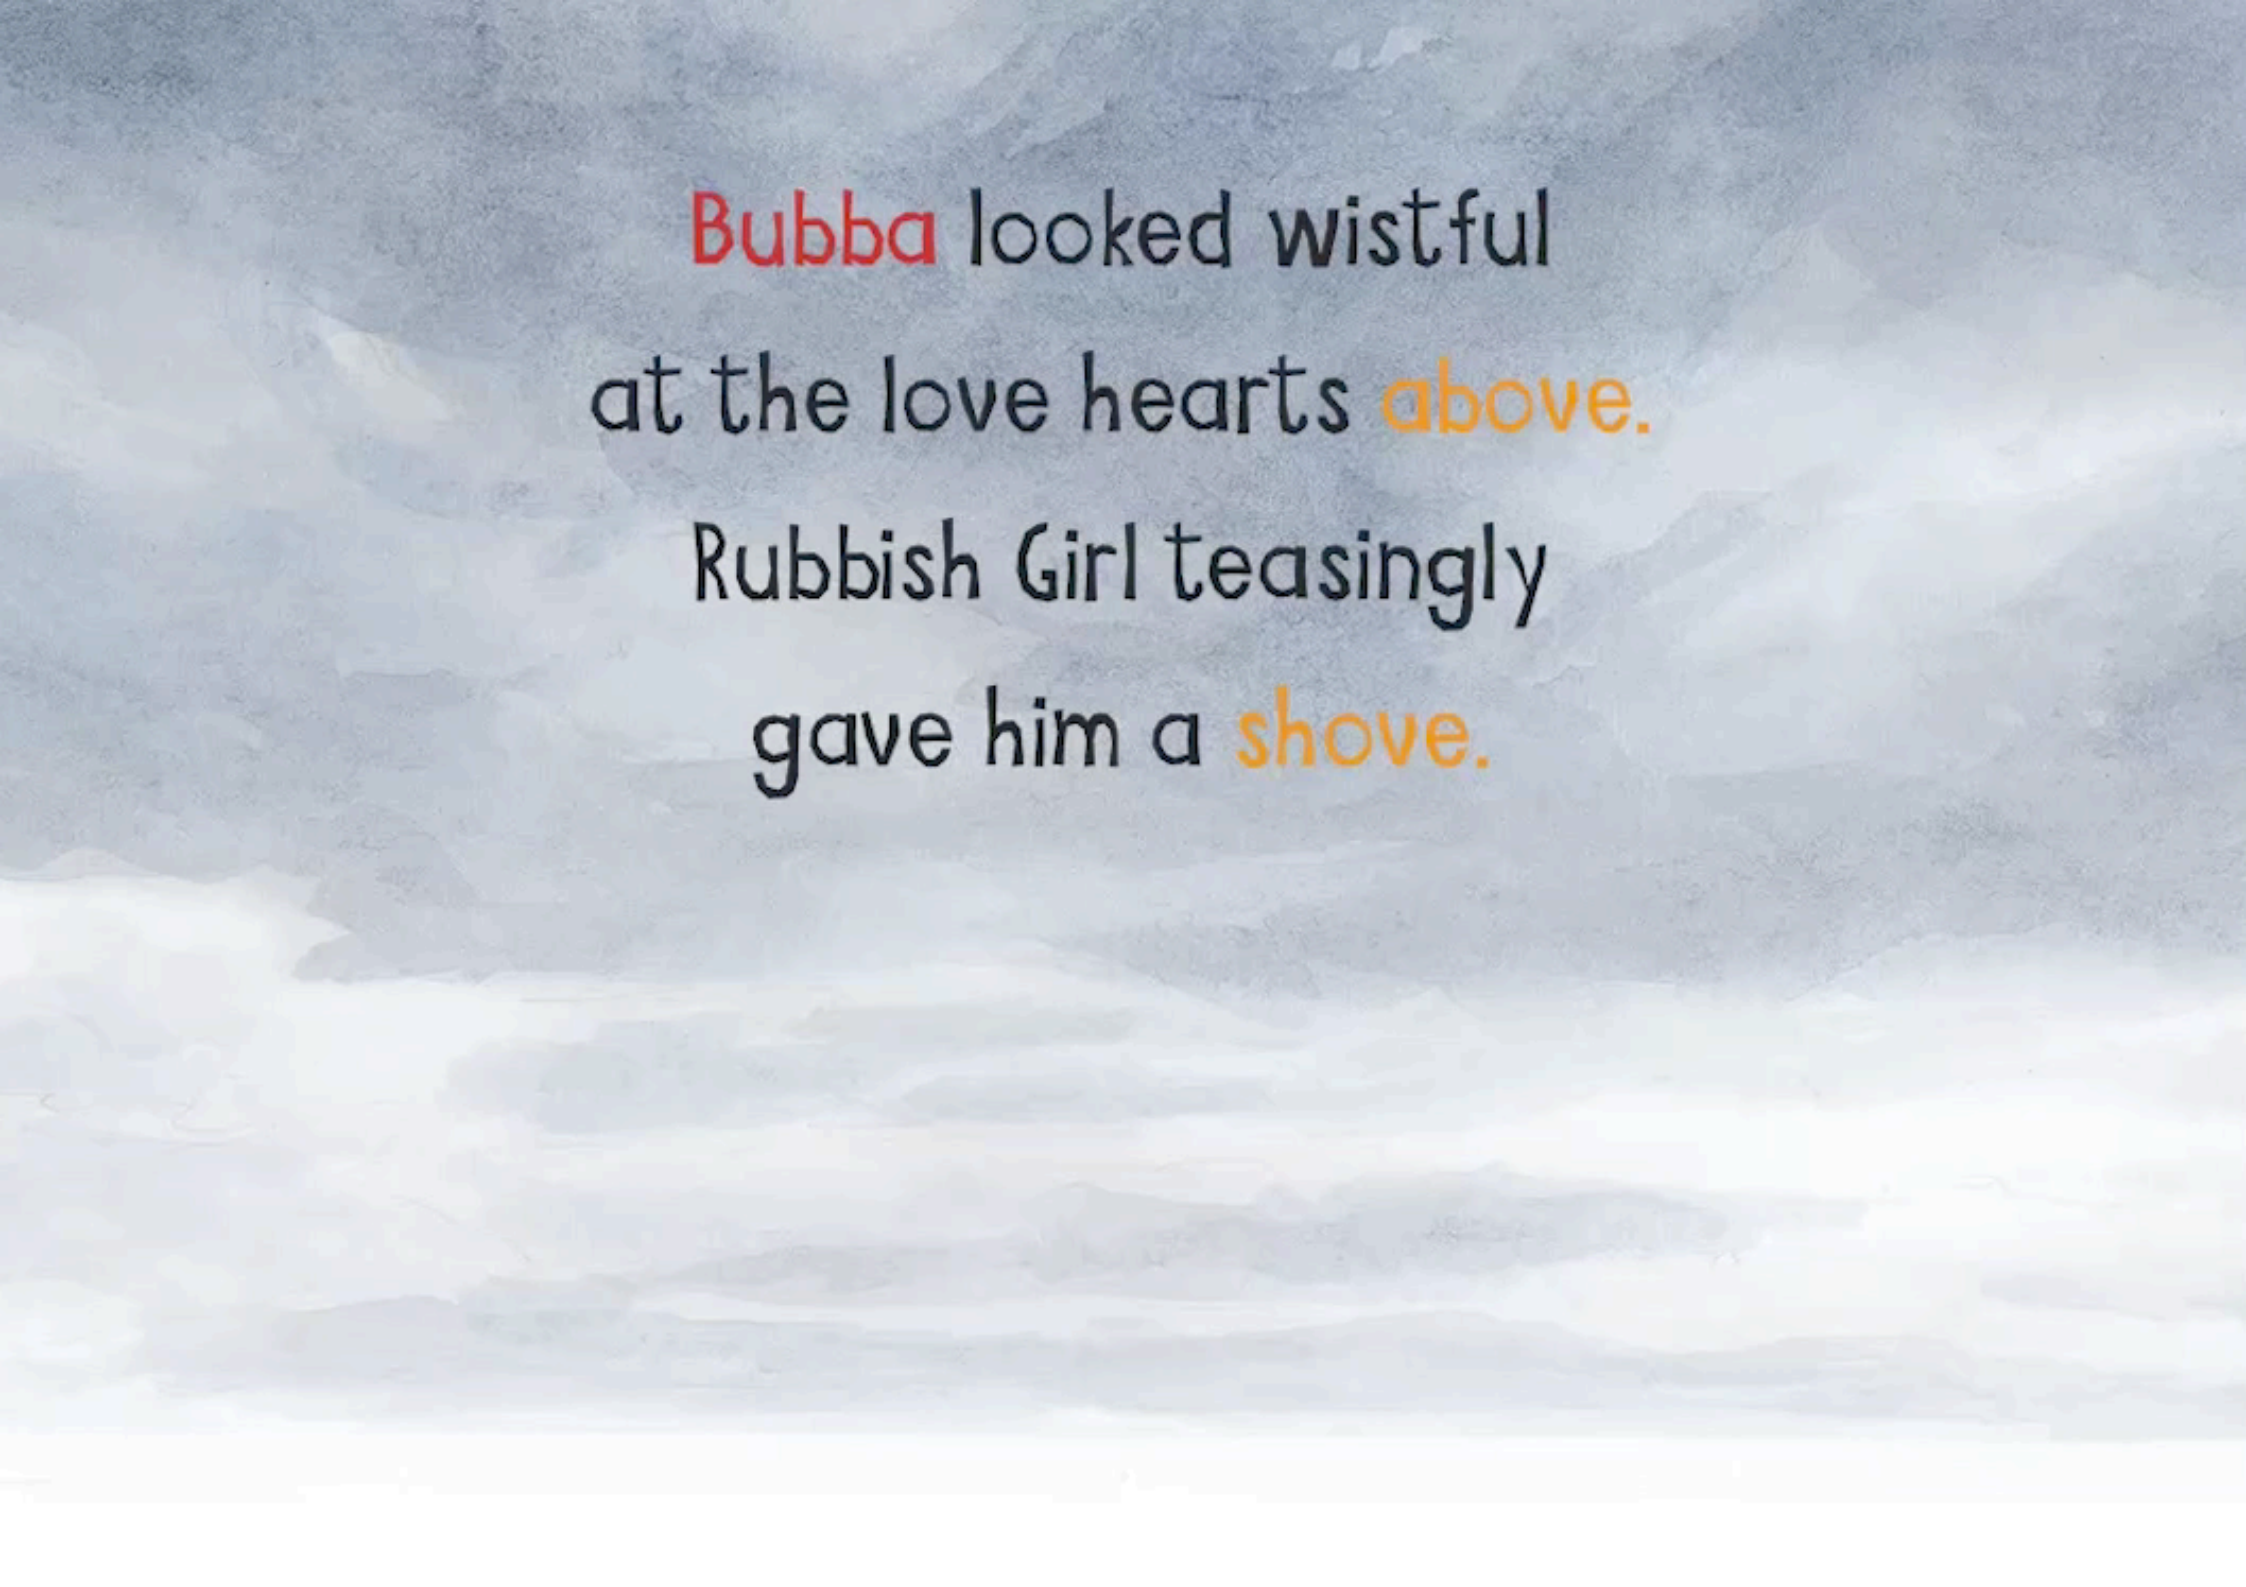

More and more hearts
appeared on the land,
as these two rivals,
fought for her hand.

The King decreed
to stop making wrappers,
for candy and crackers,
and plant flowers and trees,
to make fruit for the bees.

Bubba looked wistful
at the love hearts above.

Rubbish Girl teasingly
gave him a shove.

Now, not before time

Brainy appeared.

He took one look,

it was as he feared.

Bubba was drooling
and acting all weird.

He had enough
of **Big Bubba's** love,
so off he **ran**
and made a **plan.**

He made a rod
from wood and grasses,
then threw out a line
and caught Bubba's glasses.

Big Bubba frowned
and looked 'dumbfound.'

The loss of his specs
had strange effects.

The land was still clean
and the hills were still green,
but so were the teeth
of his Rubbish Queen!

Bubba jumped up,
and started to scream,

for there was the scariest creature,

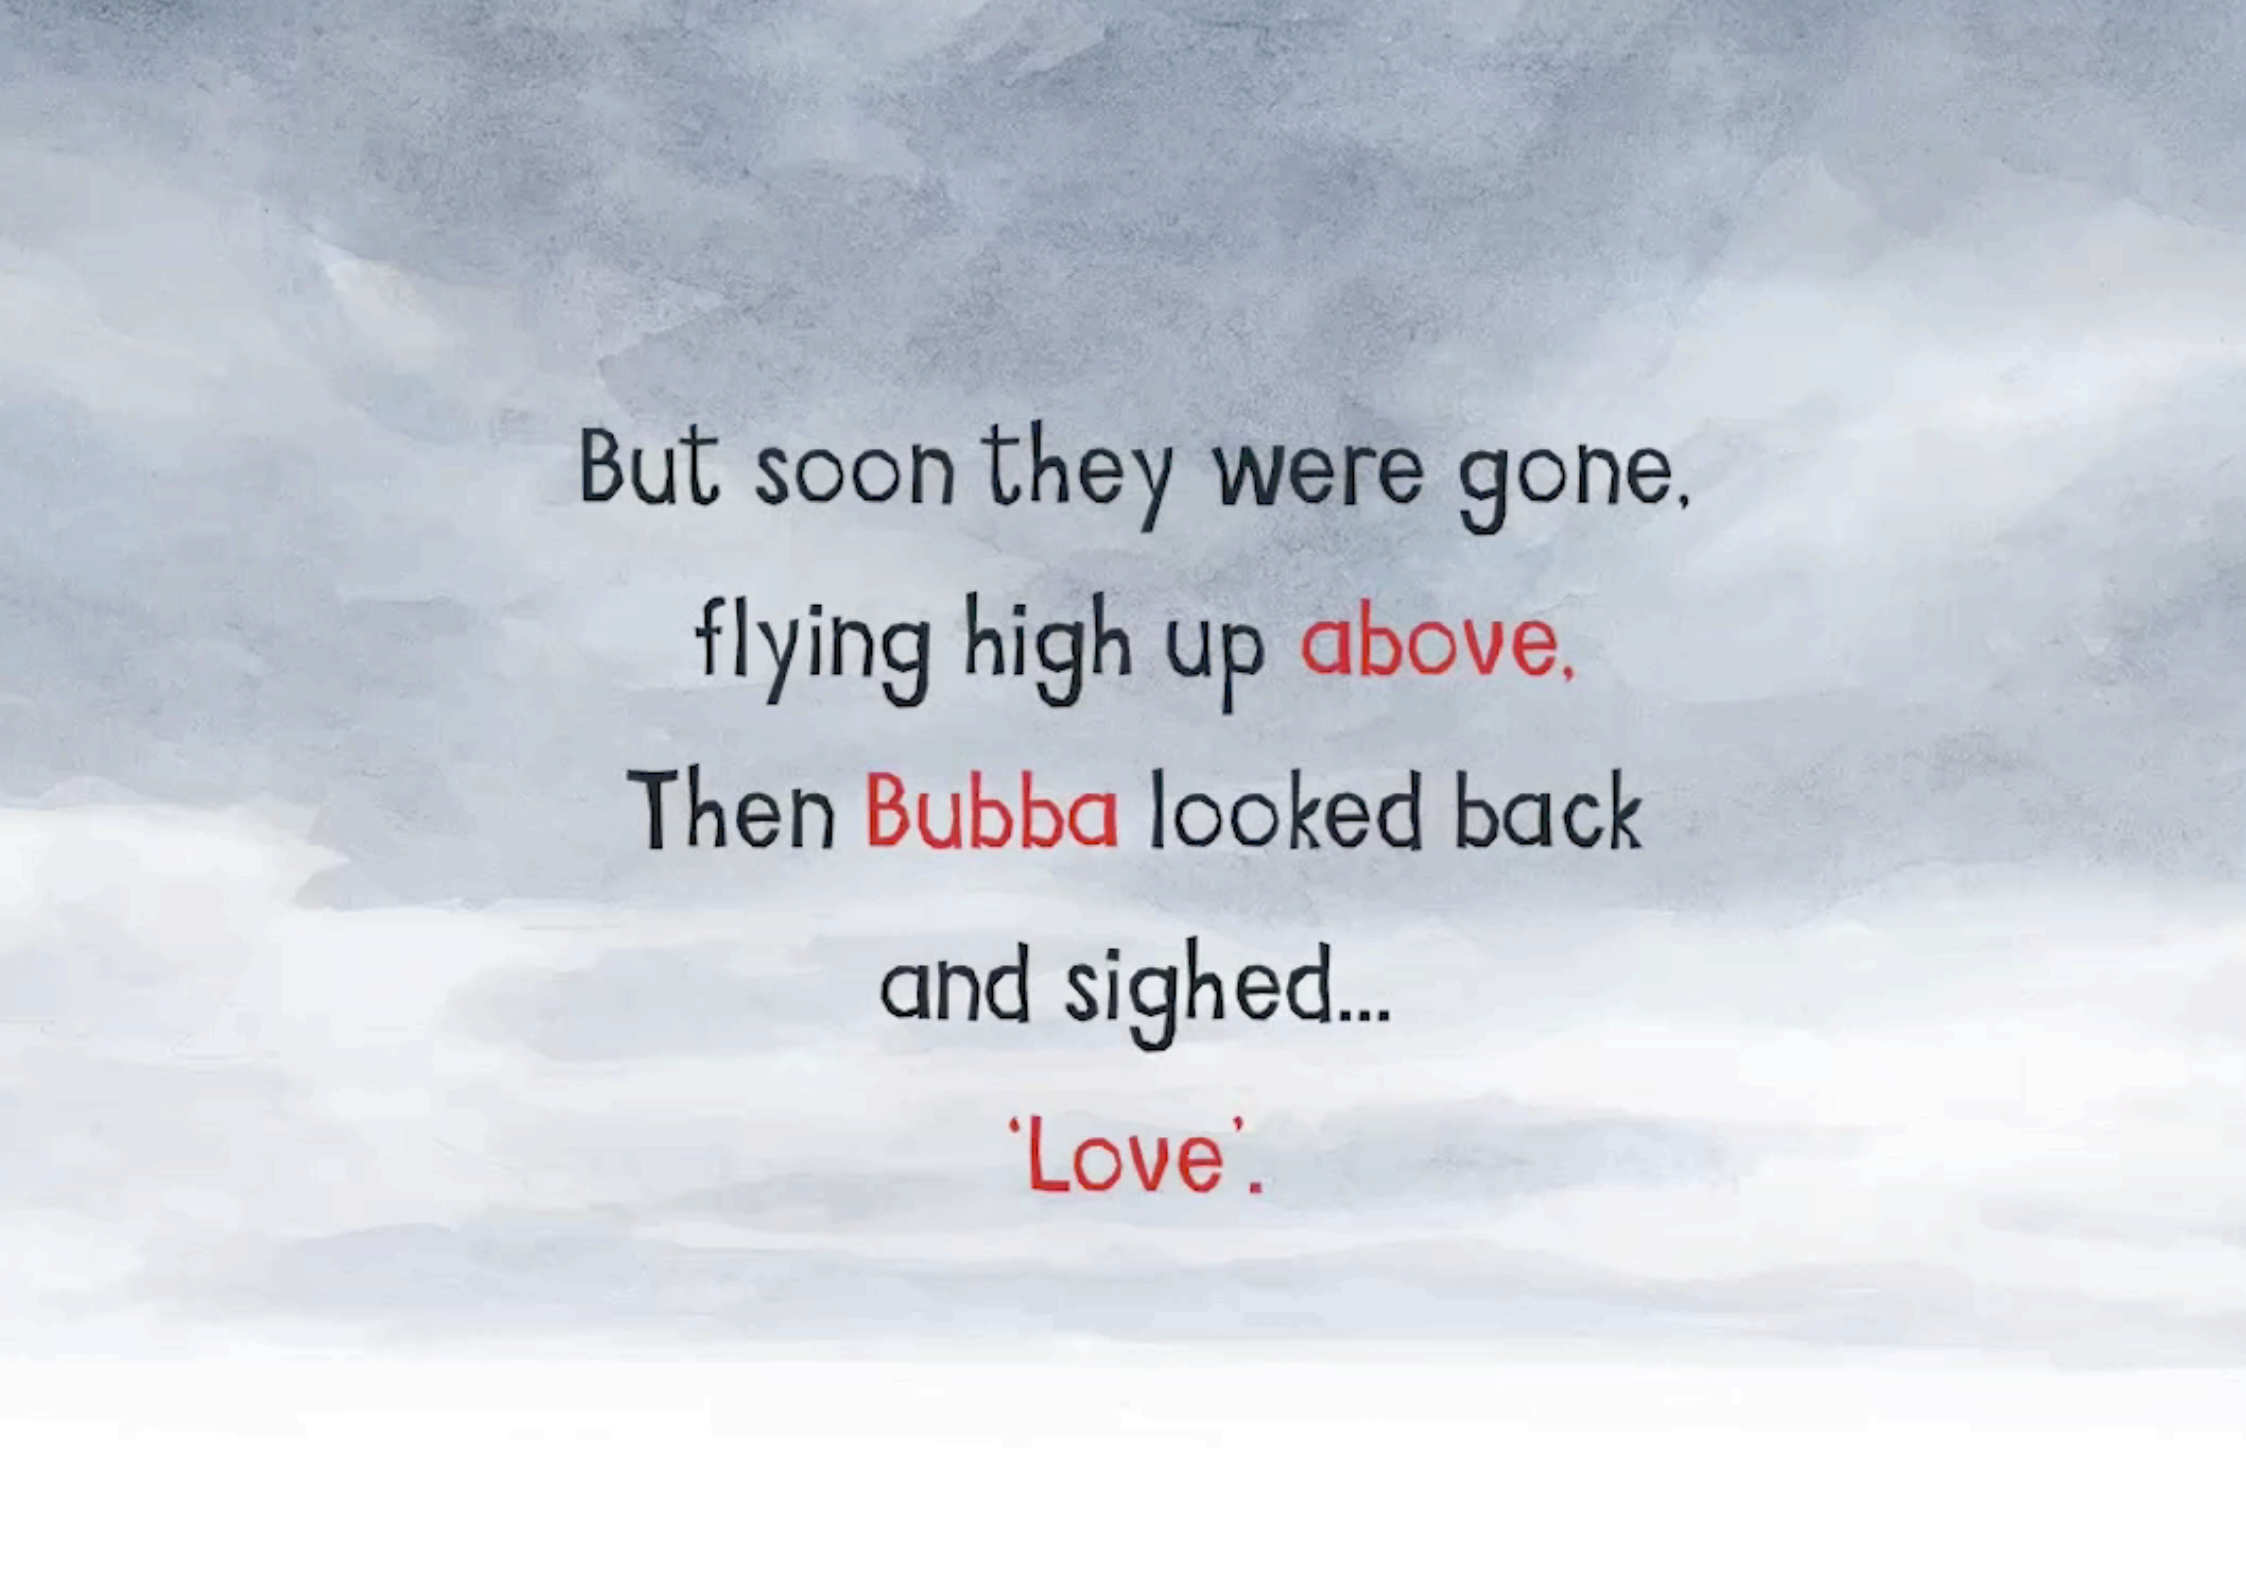

Big Bubba had ever **seen!**

He ran for the hills

The Twins came **too,**

Brainy appeared

and off they **flew.**

But soon they were gone,
flying high up above,
Then Bubba looked back
and sighed...
'Love'.
